

A-FRAME BONDED BULLETS - SWIFT BULLET 35 CALIBER (0.358") 250GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

AFRAME BONDED BULLETS SWIFT BULLET 35 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 35 Caliber (0.358") 250gr SemiSpitzer. This guide provides essential safety information to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are compatible with .358 caliber ammunition.
- Always follow local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Risk of accidental discharge if not handled properly.
- Improper use may lead to firearm malfunction or injury.
- Exposure to lead and other materials may pose health risks.

• Avoiding Hazards:

- Always ensure the firearm is unloaded before inserting or removing bullets.
- Use appropriate personal protective equipment (PPE) when handling ammunition.
- Inspect bullets for any signs of damage before use.
- Do not use if the bullet is deformed or if the packaging is compromised.
- Follow the manufacturer's recommendations for safe shooting practices.

• AgeSpecific Warnings:

- This product is not suitable for individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in firearm safety and handling.

Instructions for Installation and Usage

• Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Insert the bullet into the chamber or magazine according to the manufacturer's instructions for your specific firearm model.
- Close the action of the firearm securely.

• Usage:

- Always aim at a safe target and be aware of your surroundings.
- Keep your finger off the trigger until you are ready to shoot.
- Follow all safety rules and guidelines provided by your firearm manufacturer.

- If a misfire occurs, wait at least 30 seconds before attempting to open the action of the firearm.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact local authorities or waste management agencies for proper disposal methods.

Contact Information for Further Support

For additional safety inquiries, please consult your local authorities or the manufacturer directly. Ensure that you have the product details ready for a more efficient response.

By following these guidelines, you can enjoy the performance of the AFRAME Bonded Bullets Swift Bullet 35 Caliber while ensuring your safety and the safety of others. Thank you for your attention to these important instructions.
