

# A-FRAME HEAVY RIFLE BULLETS - 404 CALIBER (0.423") 400GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequaled.

## Attributes

- Name: [404 CALIBER \(0.423"\) 400GR SEMI-SPITZER 50/BOX](#)

# AFRAME HEAVY RIFLE BULLETS 404 CALIBER (0.423") 400GR SEMISPITZER 50/BOX Safety Instruction Guide

## Introduction

Welcome to the safety instruction guide for the AFrame Heavy Rifle Bullets, specifically designed for use on dangerous game. These highperformance bullets are engineered for superior downrange energy and stopping power. This guide provides essential safety information to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the product by following all instructions carefully.
- Be aware of potential risks associated with the use of heavy rifle bullets.
- Always handle ammunition with care and store it in a secure location.
- Ensure that all users are trained and knowledgeable about safe firearm practices.
- Keep the product out of reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is compatible with the 404 caliber bullets before use.
- Do not exceed the recommended velocity of 3000 feet per second to maintain bullet integrity.
- Avoid using the bullets in conditions that may lead to accidental discharge.
- Inspect bullets for any visible damage before use.
- Use only in designated areas that comply with local laws and regulations regarding shooting.

## Instructions for Installation and Usage

- Carefully read the firearm's user manual to understand the proper loading procedure.
- Follow these steps for safe installation and usage:
  1. **Loading the Bullets:**
    - Ensure the firearm is pointed in a safe direction.
    - Open the chamber and remove any existing ammunition.
    - Load the AFrame Heavy Rifle Bullets into the magazine or chamber as per the firearm's specifications.
  2. **Firing the Bullets:**
    - Confirm that the firearm is unloaded before cleaning or inspecting.
    - When ready to fire, ensure a clear line of sight and a safe backdrop.
    - Maintain a firm grip on the firearm and follow proper shooting stance.
    - After firing, check the bullet's performance and inspect for any issues.
- Always follow local laws regarding the use of firearms and ammunition.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local waste management authorities for guidance on hazardous material disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding the AFrame Heavy Rifle Bullets, please refer to the EU contact points available for product safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with the AFrame Heavy Rifle Bullets. Always prioritize safety and adhere to the guidelines provided for the best practices in handling and using this product.
