

A-FRAME HEAVY RIFLE BULLETS - 416 CALIBER (0.416") 350GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequalled.

Safety Instruction Guide for AFRAME HEAVY RIFLE BULLETS 416 CALIBER (0.416") 350GR SEMISPITZER 50/BOX

Introduction

Thank you for choosing the AFRAME Heavy Rifle Bullets. This guide provides essential safety instructions and precautions for the safe use, installation, and disposal of this product. Please read and understand these guidelines to ensure safe handling and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users are knowledgeable about the safe handling of ammunition and firearms.
- Store the bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any product recalls or safety alerts on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Ensure that your firearm is in good working condition and is compatible with the bullets.
- Avoid handling bullets in wet or damp conditions to prevent corrosion.
- Use only in firearms specifically designed for the 416 caliber.
- Avoid pointing the firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

• Installation:

1. Ensure your firearm is unloaded before installing bullets.
2. Follow the manufacturer's instructions for loading ammunition into your firearm.
3. Check that the bullets are seated correctly in the chamber.

• Usage:

1. Always check your firearm's safety before firing.
2. Use the bullets only in a controlled environment, such as a shooting range.
3. Follow all local laws and regulations regarding the use of firearms and ammunition.
4. After firing, ensure that the firearm is cleared and cleaned according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that any used cartridges are disposed of safely to prevent accidental discharge.

Contact Information for Further Support

For any questions or concerns regarding the AFRAME Heavy Rifle Bullets, please consult your local dealer or manufacturer directly for assistance. Ensure you have the product details available when seeking support.

This safety instruction guide is designed to help ensure the safe use of the AFRAME Heavy Rifle Bullets. By following these guidelines, you contribute to a safer shooting experience for yourself and others. Thank you for your attention to safety.
