

# A-FRAME HEAVY RIFLE BULLETS - 458 CALIBER (0.458") 400GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequaled.

# AFRAME HEAVY RIFLE BULLETS 458 CALIBER (0.458") 400GR SEMISPITZER Safety Instructions

## Introduction

Thank you for choosing AFrame Heavy Rifle Bullets. These bullets are designed for use on dangerous game and provide superior downrange energy and stopping power. This safety instruction guide is designed to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before handling or using the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Always treat the bullets as if they are loaded, even if you believe they are not.
- Store the bullets in a cool, dry place, away from direct sunlight and out of reach of children.
- Use only in firearms that are compatible with .458 caliber ammunition.
- Wear appropriate safety gear, including eye and ear protection, when handling or firing the bullets.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for .458 caliber ammunition.
- Do not attempt to modify the bullets or use them in any manner other than intended.
- Ensure that the firearm is in good working order and has been properly maintained before use.
- Avoid using the bullets in wet or humid conditions, as moisture can affect performance.
- Always check the barrel for obstructions before loading.
- Never point the firearm at anything you do not intend to shoot.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

## Instructions for Installation and Usage

### 1. Preparation:

- Read the firearm's manual to understand the specific requirements for loading and firing.
- Gather all necessary equipment, including the bullets, a compatible firearm, and safety gear.

### 2. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Load the AFrame Heavy Rifle Bullets into the magazine or chamber according to the firearm's instructions.

### 3. Firing the Bullets:

- Once loaded, ensure the firearm is in a safe position.
- Aim at the intended target, ensuring the area is clear.
- Engage the safety mechanism, if applicable.
- When ready, disengage the safety and pull the trigger smoothly.

### 4. PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Open the action and visually inspect the chamber to ensure it is clear.
- Store any remaining bullets safely and securely.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the AFrame Heavy Rifle Bullets, please refer to the EU contact point designated for safety inquiries.

## Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with AFrame Heavy Rifle Bullets. Always stay informed about safety practices and regulations to ensure responsible use. Thank you for choosing our product, and we wish you a safe and successful experience.
