

# A-FRAME HEAVY RIFLE BULLETS - 458 CALIBER (0.458") 450GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequaled.

# AFRAME HEAVY RIFLE BULLETS 458 CALIBER (0.458") 450GR SEMISPITZER 50/BOX Safety Instruction Guide

## Introduction

Thank you for choosing the AFrame Heavy Rifle Bullets 458 Caliber. These highperformance bullets are specifically designed for use on dangerous game. To ensure safe handling and optimal performance, please carefully read and follow the safety guidelines outlined in this document.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- In case of an accident or malfunction, seek immediate assistance from a qualified professional.

## Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for your firearm.
- Always use the correct caliber and type of ammunition for your firearm.
- Avoid using damaged or corroded bullets.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- Always check the chamber and magazine of your firearm to ensure it is unloaded when not in use.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure that the firearm is pointed in a safe direction.
- Open the action of the firearm and check that it is unloaded.
- Carefully load the AFrame Heavy Rifle Bullets into the magazine according to the manufacturer's instructions for your specific firearm.

### 2. Firing the Bullets:

- Ensure that you are wearing appropriate safety gear.
- Take a stable shooting position and align your sights on the target.
- Squeeze the trigger gently to fire the bullet, maintaining control of the firearm throughout the process.

### 3. PostFiring Procedures:

- After firing, always check the firearm to ensure it is safe and unloaded.
- Store any remaining ammunition in a secure location.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the regular trash.
- Contact your local waste management authority for guidance on safe disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns, please reach out to your local authorities or a qualified firearms expert. It is important to stay informed about any recalls or safety notices related to your ammunition.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AFrame Heavy Rifle Bullets. Always prioritize safety and compliance with local laws when handling ammunition and firearms. Thank you for choosing our product, and we wish you a successful and safe shooting experience.
