

# A-FRAME HEAVY RIFLE BULLETS - 470 CALIBER (0.474") 500GR ROUND NOSE 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequaled.

# AFRAME HEAVY RIFLE BULLETS 470 CALIBER (0.474") 500GR ROUND NOSE Safety Instruction Guide

## Introduction

Thank you for choosing AFrame Heavy Rifle Bullets. These bullets are designed for use on dangerous game and provide exceptional performance. This guide outlines important safety instructions to ensure safe handling and usage of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care. Treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Do not exceed the recommended velocity mentioned in the product description. The AFrame bullet initiates expansion at 1650 feet per second and remains intact at speeds above 3000 feet per second.
- Always wear appropriate eye and ear protection when shooting.
- Ensure your firearm is in good working condition and has been properly maintained.
- Be aware of your surroundings and ensure that you have a safe backdrop before firing.
- Never attempt to modify or alter the bullets in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Verify that your firearm is unloaded before handling the bullets.
- Read the firearm's manual to ensure compatibility with the AFrame bullets.

### 2. Loading the Bullets:

- Carefully load the bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.
- Ensure that the bullets are seated correctly and securely.

### 3. Firing the Bullets:

- Stand in a stable shooting position with a firm grip on the firearm.
- Aim at your target and ensure that the area is clear of people and obstacles.
- Pull the trigger smoothly to fire the bullet.

### 4. PostUse:

- Always treat the firearm as if it is loaded, even after use.
- Store any unused bullets in their original packaging and keep them in a secure location.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste. Check with local authorities for proper disposal methods.
- If you encounter any damaged bullets, do not use them. Follow local guidelines for safe disposal.

## Contact Information for Further Support

For any questions or concerns regarding the AFrame Heavy Rifle Bullets, please refer to the manufacturer's contact information provided with your purchase. It is important to reach out for support to ensure your safety and compliance with all regulations.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of AFrame Heavy Rifle Bullets. Always prioritize safety and stay informed about best practices for handling ammunition. For further information, refer to the relevant authorities and resources available to you.
