

# A-FRAME BONDED BULLETS - 30 CALIBER (0.308") 200GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

## Attributes

- Name: [30 CALIBER \(0.308"\) 200GR SEMI-SPITZER 50/BOX](#)

# **AFRAME BONDED BULLETS 30 CALIBER Safety Instruction Guide**

## **Introduction**

Thank you for choosing AFrame® Bonded Bullets 30 Caliber (0.308") 200GR SemiSpitzer. This product is designed for hunters seeking reliable performance and safety. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect ammunition for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use appropriate protective equipment, such as safety glasses and hearing protection, when handling and firing ammunition.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Ensure your firearm is compatible with 30 Caliber ammunition before use.
- Always follow the manufacturer's instructions for your firearm.
- Do not use damaged or deformed ammunition.
- Avoid using ammunition that has been exposed to moisture or extreme temperatures.
- Do not mix different types of ammunition.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Never point a firearm at anything you do not intend to shoot.
- Keep the muzzle pointed in a safe direction at all times.

## **Instructions for Installation and Usage**

### **1. Loading the Ammunition:**

- Open the magazine of your firearm according to the manufacturer's instructions.
- Carefully insert the AFrame® Bonded Bullets into the magazine, ensuring they are seated properly.
- Close the magazine securely.

### **2. Firing the Ammunition:**

- Verify that your firearm is in good working condition.
- Ensure the safety is engaged until you are ready to fire.
- Aim at your target, ensuring that the area is clear of people and obstacles.
- Disengage the safety and pull the trigger to fire.

### **3. PostFiring Procedures:**

- After firing, always check the firearm to ensure it is unloaded before handling.
- Store any remaining ammunition in a secure location.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or product performance, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety guidelines. Enjoy your hunting experience with AFrame® Bonded Bullets while prioritizing safety for yourself and others.
