

RIFLE CLEANING RODS - BORE TECH 22 CALIBER 30" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

Safety Instruction Guide for Bore Tech 22 Caliber 30" Cleaning Rod

Introduction

Thank you for choosing the Bore Tech 22 Caliber 30" Cleaning Rod. This product is designed to provide you with an effective and safe means of cleaning your rifle. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe usage and to maintain the quality of your firearm.

General Safety Guidelines

- Ensure the cleaning rod is used only for its intended purpose: cleaning the bore of firearms.
- Always handle firearms with care and follow all standard firearm safety practices.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any signs of damage before each use.
- Do not use the cleaning rod if it is damaged or if any components are missing.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the cleaning rod.
- Use appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes from debris.
- Avoid using excessive force when cleaning to prevent damage to the bore or cleaning rod.
- Do not leave the cleaning rod unattended while in use.
- Follow the manufacturer's recommendations for cleaning solutions and materials to avoid chemical reactions.
- Ensure that the cleaning rod is compatible with your specific firearm caliber.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies including cleaning solutions, patches, and the Bore Tech cleaning rod.

2. Assembly:

- Attach the appropriate Proof Positive Jag to the end of the cleaning rod. Ensure it is securely fastened.

3. Cleaning Process:

- Apply the recommended cleaning solution to a cleaning patch.
- Insert the cleaning patch onto the Jag and gently push the cleaning rod through the bore of the firearm.
- Use a backandforth motion to effectively clean the bore. Avoid excessive force.
- Remove the cleaning rod and patch from the bore after cleaning.

4. PostCleaning:

- Inspect the cleaning rod for any signs of wear or damage.
- Clean the cleaning rod with a suitable solvent and store it in a safe, dry place.

Disposal Instructions

- Dispose of any used cleaning patches and solutions according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in accordance with local waste disposal guidelines, ensuring it does not pose a hazard to others.

Contact Information for Further Support

For any questions or concerns regarding the use of the Bore Tech 22 Caliber 30" Cleaning Rod, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience for your firearm. Thank you for your attention to safety!
