

RIFLE CLEANING RODS - BORE TECH 22 CALIBER 36" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

Safety Instruction Guide for Bore Tech 22 Caliber 36" Cleaning Rod

Introduction

Thank you for choosing the Bore Tech ProofPositive Bore Stix, 22 Caliber 36 inch Cleaning Rod. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide thoroughly before using the cleaning rod.

General Safety Guidelines

- Always handle the cleaning rod with care to prevent injury.
- Keep the cleaning rod out of reach of children and pets.
- Use the cleaning rod only for its intended purpose: cleaning firearms that are compatible with 22 caliber (.223.224) ammunition.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Store the cleaning rod in a dry place to prevent rust and corrosion.
- Follow all local laws and regulations regarding the use and cleaning of firearms.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning rod.
- Do not use the cleaning rod if it is bent, damaged, or has any defects.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning rod.
- Do not use the cleaning rod for any other purpose than cleaning firearms.
- Wear appropriate safety gear, such as safety glasses, when cleaning firearms.
- Do not point the cleaning rod at yourself or others during use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning patches, solvent, and lubricants.

2. Using the Cleaning Rod:

- Attach the appropriate cleaning brush or patch holder to the end of the cleaning rod.
- Apply the cleaning solvent to the cleaning patch or brush.
- Insert the cleaning rod into the barrel of the firearm gently.
- Push the cleaning rod through the barrel, using a smooth and steady motion.
- Repeat the process as necessary, using clean patches or brushes until the barrel is clean.

3. PostCleaning:

- Once cleaning is complete, remove the cleaning rod from the barrel.
- Wipe down the cleaning rod with a dry cloth and store it properly.
- Ensure the firearm is reassembled and lubricated as per the manufacturer's instructions.

Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations for hazardous waste.
- Do not throw the cleaning rod in regular trash if it is damaged; check local disposal guidelines for metal

items.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Bore Tech 22 Caliber 36" Cleaning Rod, please contact the manufacturer directly. Ensure you have the product information on hand for reference.

By following these guidelines, you can ensure a safe and effective cleaning process for your firearms. Thank you for your attention to these safety instructions.
