

# RIFLE CLEANING RODS - BORE TECH 338-41 CALIBER 40" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

# Safety Instruction Guide for Bore Tech Proof Positive Bore Stix

## Introduction

Thank you for choosing the Bore Tech Proof Positive Bore Stix. This product is designed for cleaning firearms safely and effectively. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the Bore Tech Proof Positive Bore Stix in accordance with the manufacturer's instructions.
- Ensure that the cleaning rod is compatible with your firearm's caliber.
- Keep the cleaning rod out of reach of children and pets to prevent accidents.
- Inspect the cleaning rod for any signs of damage before use. Do not use a damaged rod.
- Store the cleaning rod in a safe, dry place when not in use to prevent damage and ensure longevity.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury from improper handling of the cleaning rod.
- Risk of damage to your firearm if the cleaning rod is not used correctly.

- **Instructions to Avoid Hazards:**

- Always ensure the firearm is unloaded before cleaning.
- Use the cleaning rod gently and avoid excessive force to prevent damage to the bore.
- Do not use the cleaning rod with incompatible cleaning accessories.
- Avoid using the cleaning rod in wet or humid conditions to prevent rust and deterioration.

- **Age Warnings:**

- This product is intended for adult use only. Keep it away from children and individuals who may not understand proper firearm safety.

## Instructions for Installation and Usage

- **Installation:**

- Ensure you have the correct caliber cleaning rod for your firearm.
- Attach the Proof Positive Jag (sold separately) to the end of the cleaning rod securely. Ensure that it is properly fitted to avoid detachment during use.

- **Usage:**

- Before starting the cleaning process, ensure your firearm is completely unloaded.
- Insert the cleaning rod into the bore of the firearm gently. Do not force it.
- Move the cleaning rod back and forth to clean the bore. Avoid excessive pressure.
- After cleaning, remove the cleaning rod and inspect it for any debris or damage.
- Store the cleaning rod in a safe location after cleaning.

## **Disposal Instructions**

- Dispose of the Bore Tech Proof Positive Bore Stix responsibly.
- If the cleaning rod is damaged or no longer usable, it should be disposed of in accordance with local waste disposal regulations.
- Do not dispose of the cleaning rod in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or other concerns, please refer to the manufacturer's website or contact their customer support. Ensure that you have the product details ready for reference.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Bore Tech Proof Positive Bore Stix. Thank you for your attention to safety and proper usage.
