

# RIFLE CLEANING RODS - BORE TECH 30 CALIBER 31" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

## Attributes

- Name: [BORE TECH 30 CALIBER 31" CLEANING ROD](#)
- Manufacturer: [BORE TECH](#)

# RIFLE CLEANING RODS BORE TECH 30 CALIBER 31" CLEANING ROD Safety Instruction Guide

## Introduction

Thank you for choosing the Bore Tech Proof Positive Bore Stix. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your rifle cleaning rod. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
  - Always handle the cleaning rod with care.
  - Keep the cleaning rod out of reach of children and vulnerable individuals.
  - Regularly inspect the cleaning rod for any signs of wear or damage before use.
  - Use the cleaning rod only for its intended purpose, which is cleaning firearm barrels.
  - Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- To avoid potential hazards, please adhere to the following precautions:
  - Do not use the cleaning rod if it is damaged or shows signs of excessive wear.
  - Always ensure that the firearm is unloaded before cleaning.
  - Avoid using excessive force when inserting or removing the cleaning rod to prevent damage to the bore.
  - Use the cleaning rod in a welllit and secure area to maintain control and visibility.
  - Keep your hands dry and clean to prevent slipping while using the cleaning rod.
  - Do not modify the cleaning rod in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

- Follow these steps for safe installation and usage of the cleaning rod:
  1. **Preparation:** Ensure your firearm is completely unloaded. Remove any ammunition from the vicinity.
  2. **Selecting the Correct Rod:** Choose the appropriate caliberspecific cleaning rod for your firearm.
  3. **Attaching the Jag:** If using a Jag, ensure it is securely attached to the cleaning rod. Note that Proof Positive Jags are sold separately.
  4. **Inserting the Rod:** Gently insert the cleaning rod into the bore from the chamber end. Ensure it follows the rifling without excessive force.
  5. **Cleaning Process:** Use a suitable cleaning solution and patches as needed. Follow the manufacturer's instructions for cleaning solutions.
  6. **Removing the Rod:** Carefully remove the cleaning rod after cleaning, ensuring no debris is left in the bore.
  7. **Storage:** Store the cleaning rod in a safe and dry place, away from children and pets.

## Disposal Instructions

- Proper disposal of the cleaning rod and any associated materials is important:
  - If the cleaning rod is damaged or no longer usable, dispose of it in accordance with local regulations.
  - Do not dispose of cleaning solutions or patches down the drain. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

- For any questions or concerns regarding safety, usage, or product performance, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning process for your firearm. Thank you for your attention to safety and responsible firearm maintenance.
