

# PROOF POSITIVE PIERCE STYLE JAGS - BORE TECH 22 CALIBER RIMFIRE PROOF POSITIVE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Want proof your barrel is clean? Unlike traditional brass jags that can give a "false positive" when testing barrels for copper fouling, Bore Tech makes a proprietary heavy-duty alloy jag that has excellent tensile strength and features a special coating that seals the jag to protect it against harsh chemicals and makes it 100% barrel safe. Eliminating brass with a Proof-Positive Jag will not only give you a cleaner rifle bore, but you'll save time and money by cutting back on wasted patches and chemicals. Proof-Positive Jags are precision machined to strict tolerances to provide true, concentric pressure on barrel surfaces. Get the best cleaning results by using Proof-Positive Jags with Bore Tech's Bore Stix.

# Safety Instruction Guide for PROOF POSITIVE PIERCE STYLE JAGS

## Introduction

Thank you for choosing the PROOF POSITIVE PIERCE STYLE JAGS BORE TECH 22 CALIBER RIMFIRE PROOF POSITIVE JAG. This product is designed to help you maintain a clean rifle bore effectively and safely. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the jag for wear and damage before use.
- Always follow the manufacturer's instructions for cleaning and maintenance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Chemical Safety:** When using the jag with cleaning chemicals, ensure you are in a wellventilated area to avoid inhaling fumes.
- **Protective Gear:** Wear safety goggles and gloves when handling cleaning chemicals to protect your eyes and skin.
- **Proper Handling:** Always handle the jag with care. Avoid dropping or mishandling to prevent damage.
- **Compatibility:** Ensure the jag is compatible with your firearm before use.
- **Storage:** Store the jag in a dry place, away from direct sunlight and extreme temperatures.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including the Proof Positive Jag and Bore Tech's Bore Stix.

### 2. Installation:

- Attach the Proof Positive Jag to the cleaning rod securely, ensuring it is tightly fastened.
- Check for any signs of damage to the jag before use.

### 3. Usage:

- Moisten a cleaning patch with your chosen cleaning solution.
- Insert the cleaning patch onto the jag.
- Insert the jag into the bore of the firearm gently.
- Push the jag through the bore, ensuring even pressure and avoiding excessive force.
- Repeat as necessary until the bore is clean.
- After use, remove the jag and clean it according to the manufacturer's instructions.

## **Disposal Instructions**

- Dispose of used cleaning patches and chemicals according to local regulations.
- Do not dispose of the jag in regular household waste if it is damaged; check local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For questions or concerns regarding the PROOF POSITIVE PIERCE STYLE JAGS BORE TECH 22 CALIBER RIMFIRE PROOF POSITIVE JAG, please reach out to your local retailer or the manufacturer for support.

Thank you for prioritizing safety and compliance while using our product. Enjoy your clean and wellmaintained firearm!
