[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Bore Tech V-Stix are packed with all the features, quality and performance you have come to expect from Bore Tech. The V-Stix utilize a caliber specific steel core and high performance coating, which is extremely chemical resistant and durable. It includes their ergonomic cushioned handle with ball bearing system - an industry favorite. Like all Bore Tech cleaning rod handles, these are caliber specific color coded. Barrel-safe female threaded brass ferrules complete this affordable package. The Bore Tech V-Stix offers a high quality cleaning rod without the high dollar price tag. Jags sold separately.

# **Safety Instruction Guide for Bore Tech V STIX 22 CAL6.5MM 36 INCH**

## **Introduction**

Thank you for choosing the Bore Tech V STIX 22 CAL6.5MM 36 INCH. This cleaning rod is designed to provide highquality performance and durability for your cleaning needs. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety updates via the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Ensure that the cleaning rod is compatible with your firearm's caliber.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning rod.
- Use the cleaning rod in a wellventilated area to minimize exposure to any cleaning chemicals.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when using cleaning chemicals.
- Do not use the cleaning rod for purposes other than cleaning firearms.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including cleaning solutions and patches.

### **2. Using the Bore Tech V STIX:**

- Select the appropriate caliberspecific cleaning rod for your firearm.
- Attach a cleaning jag (sold separately) to the end of the cleaning rod.
- Apply a small amount of cleaning solution to a patch and insert it onto the jag.
- Insert the cleaning rod into the barrel from the chamber end (if possible) to minimize wear on the muzzle.
- Gently push the cleaning rod through the barrel and pull it out. Repeat as necessary until the barrel is clean.
- After cleaning, remove the jag and clean the rod with a suitable cleaning solution.

### **3. PostUse Care:**

- Clean the Bore Tech V STIX after each use to maintain its performance.
- Store the cleaning rod in a dry, safe place away from children.

## **Disposal Instructions**

- Dispose of any used cleaning patches and chemicals according to local regulations.
- Recycle the Bore Tech V STIX packaging where facilities exist.

- Do not dispose of the product in household waste. Follow local guidelines for the disposal of metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the Bore Tech V STIX or its safety, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
