

# V STIX, 22 CAL-6.5MM 40 INCH - BORE TECH V STIX, 22 CAL-6.5MM 40 INCH

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Bore Tech V-Stix are packed with all the features, quality and performance you have come to expect from Bore Tech. The V-Stix utilize a caliber specific steel core and high performance coating, which is extremely chemical resistant and durable. It includes their ergonomic cushioned handle with ball bearing system - an industry favorite. Like all Bore Tech cleaning rod handles, these are caliber specific color coded. Barrel-safe female threaded brass ferrules complete this affordable package. The Bore Tech V-Stix offers a high quality cleaning rod without the high dollar price tag. Jags sold separately.

# Safety Instruction Guide for Bore Tech V STIX, 22 CAL6.5MM 40 INCH

## Introduction

Thank you for choosing the Bore Tech V STIX, a highquality cleaning rod designed for firearm maintenance. This guide provides important safety information and instructions for the safe use and disposal of the product. Please read this document carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a cleaning rod for firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the cleaning rod before use for any signs of damage or wear.
- Use the product in a wellventilated area to avoid inhalation of any cleaning chemicals.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear safety glasses when cleaning firearms to protect your eyes from debris.
- Do not use the cleaning rod on a firearm that is loaded or has ammunition in the chamber.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning rod.
- Ensure that the cleaning rod is properly aligned with the bore before insertion to avoid bending or breaking.
- Use only Bore Tech jags that are compatible with the V STIX cleaning rod.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies, including cleaning solvent and patches.

### 2. Using the V STIX Cleaning Rod:

- Select the appropriate jag for your caliber (22 Caliber or 6.5mm).
- Attach the jag to the end of the cleaning rod by screwing it securely into the female threaded brass ferrule.
- Apply cleaning solvent to the patch and insert it onto the jag.
- Carefully insert the cleaning rod into the bore of the firearm, ensuring it is aligned properly.
- Pull the cleaning rod through the bore in a smooth motion. Repeat as necessary.
- After cleaning, remove the cleaning rod and jag from the firearm.

### 3. PostUse Care:

- Clean the V STIX cleaning rod with a soft cloth to remove any residue.
- Store the cleaning rod in a dry, safe place away from children.

## Disposal Instructions

- Dispose of the product according to local regulations for nonhazardous materials.
- If the cleaning rod is damaged or worn beyond use, it should be discarded responsibly.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the Bore Tech V STIX, please consult the official Bore Tech website or contact your local distributor.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Bore Tech V STIX. Thank you for prioritizing safety in your firearm maintenance practices.
