

# **V STIX, 22 CAL-6.5MM 44 INCH - BORE TECH V STIX, 22 CAL-6.5MM 44 INCH**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Bore Tech V-Stix are packed with all the features, quality and performance you have come to expect from Bore Tech. The V-Stix utilize a caliber specific steel core and high performance coating, which is extremely chemical resistant and durable. It includes their ergonomic cushioned handle with ball bearing system - an industry favorite. Like all Bore Tech cleaning rod handles, these are caliber specific color coded. Barrel-safe female threaded brass ferrules complete this affordable package. The Bore Tech V-Stix offers a high quality cleaning rod without the high dollar price tag. Jags sold separately.

# Bore Tech VStix Safety Instruction Guide

## Introduction

Thank you for choosing the Bore Tech VStix cleaning rod. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the Bore Tech VStix.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a cleaning rod for firearms.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rod for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the cleaning rod with excessive force, as this may damage both the rod and the firearm.
- Always ensure that the firearm is unloaded before using the cleaning rod.
- Use the cleaning rod in a wellventilated area to avoid inhaling any cleaning chemicals.
- Wear protective eyewear and gloves when using cleaning solvents or chemicals.
- Follow the manufacturer's instructions for any cleaning products used in conjunction with the cleaning rod.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvents, patches, and jags (sold separately).

### 2. Using the VStix:

- Select the appropriate caliberspecific jag for your firearm.
- Attach the jag to the end of the VStix cleaning rod securely.
- Moisten a cleaning patch with the appropriate solvent and place it onto the jag.
- Insert the cleaning rod into the barrel from the breech end (if applicable) and push it through the barrel.
- Pull the cleaning rod back out, removing the patch. Repeat this process until the barrel is clean.

### 3. PostUse:

- After cleaning, wipe down the cleaning rod with a soft cloth to remove any residue.
- Store the cleaning rod in a dry place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of any used cleaning patches, solvents, and chemicals according to local regulations.
- Do not dispose of the cleaning rod in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Bore Tech VStix, please refer to the manufacturer's website or contact their customer service. They can provide additional support and information about product safety and usage.

By following these safety instructions, you can ensure a safe and effective experience with your Bore Tech VStix cleaning rod. Thank you for your attention to these guidelines.
