

# PROOF POSITIVE NYLON BORE BRUSHES - BORE TECH 17 CALIBER NYLON BORE BRUSH 3/PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Bore Tech understands the need for premium quality nylon brushes, which is why they have constructed these double wound Proof-Positive Nylon Brushes that feature superior construction and materials. These brushes have twice as many bristles as competing brands to double the scrubbing action and shorten the cleaning process. Features oversized bristles for added strength, and non-brass cores and couplers that prevent the appearance of copper fouling remaining in your bores. The .17 and .20 caliber rifle brushes are 1" shorter in length to reduce the force needed to push the brush through and prevent barrel damage. For best results use Proof-Positive Nylon Brushes with fast acting copper cleaners like Bore Tech's Eliminator and CU+2 Copper Remover.

## Attributes

- Name: [BORE TECH 17 CALIBER NYLON BORE BRUSH 3/PACK](#)
- Manufacturer: [BORE TECH](#)
- Product no.: 749101649

# Safety Instruction Guide for PROOF POSITIVE NYLON BORE BRUSHES

## Introduction

Thank you for choosing the PROOF POSITIVE NYLON BORE BRUSHES by Bore Tech. These brushes are designed to provide superior cleaning for your firearms, ensuring optimal performance and longevity. This safety instruction guide outlines important safety information, usage guidelines, and disposal instructions to ensure a safe experience with your product.

## General Safety Guidelines

- Always use the product as intended, following the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the brushes before use. Do not use if damaged or worn.
- Store the brushes in a dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Personal Safety:

- Wear safety glasses to protect your eyes from debris during cleaning.
- Use gloves to avoid skin irritation from cleaning agents.

### • Product Handling:

- Handle the brushes with care to avoid injury from sharp edges or bristles.
- Do not use excessive force when pushing the brush through the bore to prevent barrel damage.

### • Chemical Safety:

- Use only recommended cleaning agents, such as Bore Tech's Eliminator and CU+2 Copper Remover.
- Ensure proper ventilation when using cleaning chemicals to avoid inhalation of fumes.

### • Age Restrictions:

- This product is not intended for use by children. Ensure adult supervision when used around minors.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush and cleaning agents.

### 2. Using the Bore Brush:

- Select the appropriate caliber bore brush for your firearm (.17 caliber for this product).
- Attach the bore brush to a cleaning rod, ensuring a secure fit.

- Gently insert the bore brush into the firearm's bore, applying minimal force.
- Move the brush back and forth to scrub the bore effectively.
- After cleaning, remove the brush and clean the bore with a dry patch to remove any debris.

### **3. PostCleaning:**

- After use, clean the bore brush with warm soapy water and allow it to air dry.
- Store the bore brush in a cool, dry place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the bore brushes in regular household waste. Check for recycling options in your area.
- Ensure that any cleaning agents used are disposed of properly, following the guidelines provided by the manufacturer.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the PROOF POSITIVE NYLON BORE BRUSHES, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

Thank you for your attention to these safety instructions. Enjoy your cleaning experience with Bore Tech's premium nylon bore brushes!
