

# PROOF POSITIVE NYLON BORE BRUSHES - BORE TECH 30 CALIBER NYLON BORE BRUSH 3/PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Bore Tech understands the need for premium quality nylon brushes, which is why they have constructed these double wound Proof-Positive Nylon Brushes that feature superior construction and materials. These brushes have twice as many bristles as competing brands to double the scrubbing action and shorten the cleaning process. Features oversized bristles for added strength, and non-brass cores and couplers that prevent the appearance of copper fouling remaining in your bores. The .17 and .20 caliber rifle brushes are 1" shorter in length to reduce the force needed to push the brush through and prevent barrel damage. For best results use Proof-Positive Nylon Brushes with fast acting copper cleaners like Bore Tech's Eliminator and CU+2 Copper Remover.

## Attributes

- Name: [BORE TECH 30 CALIBER NYLON BORE BRUSH 3/PACK](#)
- Manufacturer: [BORE TECH](#)
- Product no.: 749101652
- Mfr. No.: BTNR-30-003
- Caliber: 30 Caliber (.308)
- Style: Rifle
- Quantity: 3
- Delivery weight: 0.014kg
- Shipping height: 20mm
- Shipping width: 58mm
- Shipping length: 102mm
- UPC: 667739303033

# Safety Instruction Guide for PROOF POSITIVE NYLON BORE BRUSHES

## Introduction

Thank you for choosing the PROOF POSITIVE NYLON BORE BRUSHES by Bore Tech. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of our product. Please read this document carefully before using the brushes.

## General Safety Guidelines

- Product Safety: Ensure safe use of this product by following all instructions and guidelines provided.
- Enhanced Recalls: Stay informed about any recall notices related to this product. If necessary, you will receive free remedies for any dangerous products.
- Online Shopping: When purchasing online, ensure that the platform complies with safety requirements just as physical stores do.
- Special Consumer Focus: Extra precautions are taken for vulnerable groups. Please supervise children if they are present during cleaning activities.
- EU Contact Point: For safety inquiries or concerns, ensure you have access to an EUbased contact point.
- Rapid Alerts: Monitor the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- Always inspect the bore brush before use for any damage or wear.
- Use the bore brush only as intended for cleaning firearm bores.
- Do not use the brush with excessive force to avoid damaging the firearm barrel.
- Keep the bore brush out of reach of children and pets.
- Ensure that the firearm is unloaded and safe before cleaning.
- Avoid using the brush with incompatible cleaning solutions that may cause damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies, including the bore brush, cleaning solution, and cleaning rod.

### 2. Installation of the Bore Brush:

- Attach the nylon bore brush to the cleaning rod securely.
- Ensure that the brush is properly seated and will not detach during use.

### 3. Cleaning Process:

- Apply an appropriate cleaning solution to the bore brush.
- Insert the brush into the bore gently, pushing it through from the chamber to the muzzle.
- Use a smooth, steady motion to avoid damaging the barrel.
- Repeat as necessary, ensuring to clean both the chamber and the muzzle area.

### 4. PostCleaning:

- After cleaning, remove the brush and inspect it for wear.
- Clean the bore with a dry patch to remove any leftover cleaning solution.

- Store the brush in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of the bore brush responsibly. If the brush is damaged or worn out, do not throw it in regular trash.
- Check local regulations for proper disposal methods for cleaning supplies and equipment.
- If the product is subject to recall, follow the provided instructions for returning the product safely.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the PROOF POSITIVE NYLON BORE BRUSHES, please refer to the contact information provided with your purchase or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
