

# RIFLE CASE HOLDERS - L.E. WILSON 6MM XC FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 6mm XC Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 6mm XC Fired Case Holder. This product is designed to assist you in trimming, primer pocket reaming, neck reaming, and deburring of your cases. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the case holder in accordance with the manufacturer's instructions.
- Ensure that the case holder is compatible with your specific case type before use.
- Inspect the case holder for any damage or wear before each use.
- Keep the case holder out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only with fired cases that are compatible with the L.E. Wilson case holder.
- Avoid using the case holder with new, unfired brass or cases that have not been full length sized unless specified.
- Do not exceed the recommended trimming depth to prevent damage to the case holder and ensure safety.
- Ensure that your workspace is clean and free of obstructions to prevent accidents.
- Wear appropriate safety equipment, such as safety glasses, when using the case holder to protect against debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including your L.E. Wilson case holder, trimming tool, and safety equipment.
- Ensure your workspace is clean and well lit.

### 2. Installation:

- Insert the fired case into the L.E. Wilson case holder, ensuring that it is seated securely.
- If using a trimmer, attach it according to the manufacturer's instructions for optimal performance.

### 3. Usage:

- Begin trimming by carefully operating the trimmer, following the depth guidelines provided in the trimmer's manual.
- Regularly check the case and case holder for signs of wear or damage during use.
- After trimming, remove the case holder from the trimmer and inspect the case for any defects.

### 4. PostUse Care:

- Clean the case holder after each use to remove any debris or residue.
- Store the case holder in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of the case holder in accordance with local regulations regarding nonfood product disposal.
- If the case holder is damaged or no longer usable, consider recycling materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.E. Wilson 6mm XC Fired Case Holder, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety while using the L.E. Wilson 6mm XC Fired Case Holder. Your adherence to these guidelines will ensure a safe and effective experience.
