

RIFLE CASE HOLDERS - L.E. WILSON 6MM XC NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 6MM XC New Case Holder

Introduction

Thank you for choosing the L.E. Wilson 6MM XC New Case Holder. This product is designed to assist with the trimming, primer pocket reaming, neck reaming, and deburring of rifle cases. To ensure your safety and the effective use of this product, please read and follow the guidelines provided in this safety instruction guide.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Keep the case holder out of reach of children and vulnerable individuals.
- Inspect the case holder regularly for any signs of damage or wear before use.
- If you notice any defects, discontinue use immediately and contact the manufacturer.
- Use the case holder in a welllit and organized workspace to minimize accidents.
- Follow all local laws and regulations regarding the use of firearms and reloading equipment.

Specific Safety Precautions for Use

- Ensure that the rifle cases you are using are appropriate for the case holder.
- Use only new, unfired brass or cases that have been fulllength sized with the NEW Case Holders.
- Use the FIRED Case Holders only with necksized cases.
- Do not exceed the recommended trimming length as specified by the ammunition manufacturer.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when using the case holder.
- Never place your hands or any body part near the cutting area while the trimmer is in operation.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the case holder.

Instructions for Installation and Usage

1. Installation:

- Ensure that the trimmer is securely mounted to a stable work surface.
- Attach the L.E. Wilson 6MM XC New Case Holder to the trimmer according to the manufacturer's instructions.
- Verify that the case holder is properly aligned and secured before use.

2. Usage:

- Insert the rifle case into the case holder, ensuring it is seated correctly.
- Adjust the trimmer settings according to the desired trimming length.
- Begin trimming by activating the trimmer, maintaining a firm grip on the case holder.
- Once the trimming is complete, remove the case from the holder and inspect it for uniformity and accuracy.
- Clean the case holder after each use to remove any debris or brass shavings.

Disposal Instructions

- Dispose of any damaged or worn case holders in accordance with local waste disposal regulations.
- Recycle materials whenever possible. Check with local recycling programs for guidance on recycling metal and plastic components.

- Do not dispose of the product in household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the L.E. Wilson 6MM XC New Case Holder, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson 6MM XC New Case Holder. Thank you for your attention to safety.
