

# E-ZEE TRIMMER - LYMAN "E-ZEE" TRIM HANDGUN SET

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

Lyman Introduces a case trimming system for the reloader interested in economy or preferring to have an individual precision hand system for each caliber. The EZEE TRIM case trimming system allows the user to trim cases by hand or with a power attachment (included) to precise pre-set length. The trimmer comes with a case locking device, cutter, trim-to length pilot, cutterhead and both hand and power trimming adapters. The trimmer works with any standard shell holder including Lyman, redding, RCBS, Hornady and Lee Precision. Assembles in seconds and you are ready to trim cases. The EZEE-TRIM system comes in three practical variations. EZEE TRIM Rifle set- Includes hand trimmer, power adapter, cutter head and 5 most popular caliber pilots (.223, .243, .270, .30-06, .308) EZEE TRIM Handgun Set- Includes hand trimmer, power adapter, cutter head, and 6 most popular handgun caliber pilots (9mm, 38 Special, 357, 40 S&W, 44 Mag, .45ACP) EZEE TRIM Universal Set- Includes hand trimmer, power adapter, and cutter head. Just add the pilot for the caliber you wish to trim.

# EZEE TRIMMER LYMAN "EZEE" TRIM HANDGUN SET Safety Instructions

## Introduction

Thank you for choosing the EZEE TRIMMER LYMAN "EZEE" TRIM HANDGUN SET. This product is designed to provide a safe and efficient solution for trimming cases in various handgun calibers. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the EZEE TRIMMER by following all instructions provided in this guide.
- Be aware of potential risks associated with the use of trimming tools, including cuts and injuries.
- Always supervise the use of this product around children or vulnerable individuals.
- Check for any recalls or safety updates regarding this product on the EU's Safety Gate platform.
- If you encounter any unsafe conditions or accidents, report them to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Always wear safety goggles to protect your eyes from debris during operation.
- Use gloves to protect your hands from sharp edges and hot surfaces.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Keep the trimmer out of reach of children and unauthorized users.
- Do not use the trimmer for any purpose other than its intended use.
- Inspect the trimmer before each use to ensure it is in good working condition.
- Do not operate the trimmer if it is damaged or malfunctioning.
- Follow the manufacturer's recommendations for trimming lengths and pilot usage.

## Instructions for Installation and Usage

### 1. Assembly:

- Unpack the EZEE TRIMMER and ensure all components are present:
  - Hand trimmer
  - Power adapter
  - Cutter head
  - Caliber pilots (specific to the set purchased)
- Assemble the trimmer according to the instructions provided in the product packaging.

### 2. Trimming Cases:

- Select the appropriate caliber pilot for the case you wish to trim.
- Insert the pilot into the trimmer, ensuring it is securely locked in place.
- If using the power adapter, connect it to a suitable power source.
- Insert the case into the trimmer and adjust to the desired trimming length as per the instructions.
- Operate the trimmer carefully, either by hand or with the power attachment, ensuring that hands are clear of moving parts.

### 3. PostUse Care:

- After trimming, clean the trimmer and remove any debris or shavings.
- Store the trimmer in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the EZEE TRIMMER is no longer usable, dispose of it responsibly. Check for local electronic waste disposal programs or recycling options.
- Ensure that all components are disposed of safely to prevent any environmental hazards.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or maintenance of the EZEE TRIMMER, please refer to the manufacturer's contact information provided in the product packaging. Always ensure that you have the latest information regarding product safety and recalls.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
