

MARLIN BOLT ACTION RIMFIRE TRIGGER - RIFLE BASIX MAR-1 TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Reduces Pull Weight For Better Accuracy

Investment cast, steel trigger provides a light, clean breaking pull so you can concentrate on hitting your target. Heat treatment process keeps engagement surfaces smooth and uniform for thousands of rounds. Uses the factory safety and drops-in without gunsmithing. Adjustable for sear engagement and weight of pull. MAR-1 fits all early production (pre T-900™) Marlin bolt action rimfire rifles with a screw or drift pin, trigger pivot pin configuration. MAR-917 fits all current production, 900 Series rifles with T-900 Fire Control System.

MARLIN BOLT ACTION RIMFIRE TRIGGER RIFLE

BASIX MAR1 TRIGGER Safety Instructions

Introduction

Thank you for choosing the MARLIN BOLT ACTION RIMFIRE TRIGGER RIFLE BASIX MAR1 TRIGGER. This guide provides essential safety instructions to ensure the safe and effective use of your trigger. Please read this document carefully to understand how to operate and maintain your product safely.

General Safety Guidelines

- Ensure that the trigger is installed correctly before use. Improper installation can lead to malfunctions.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear and tear. Replace if any damage is found.
- Ensure that the firearm is pointed in a safe direction at all times when handling.
- Be aware of your surroundings and ensure that you have a clear target before firing.

Specific Safety Precautions for Use

- Use only with compatible Marlin bolt action rimfire rifles: MAR1 fits all early production (pre T900™) models. MAR917 fits all current production, 900 Series rifles with T900 Fire Control System.
- Adjust the weight of pull according to your comfort and shooting style.
- Do not exceed the recommended weight of pull range between 1 lb and 2.5 lbs.
- Always engage the factory safety when the firearm is not in use.
- Never attempt to modify the trigger or firearm in ways not specified in the manufacturer's guidelines.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm's manual.
- Install the MAR1 or MAR917 trigger by following the manufacturer's specifications.
- Ensure that the trigger pivot pin configuration is correct and secure.
- Test the trigger operation without ammunition to ensure it functions properly.

2. Usage:

- Before firing, doublecheck that the safety mechanism is engaged.
- When ready to shoot, disengage the safety and aim at your target.
- Maintain a proper grip on the firearm and focus on your target.
- After firing, reengage the safety before handling or storing the firearm.

Disposal Instructions

- When disposing of the trigger, ensure it is done in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the manufacturer's contact details provided with your product packaging.

This safety instruction guide is designed to help you ensure a safe experience with your MARLIN BOLT ACTION RIMFIRE TRIGGER RIFLE BASIX MAR1 TRIGGER. Adhering to these guidelines will help you avoid potential hazards and enjoy your shooting experience responsibly.
