

RUGER® BOLT ACTION TRIGGERS - RIFLE BASIX RU-MK II TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Do It Yourself Trigger Upgrades For Ruger~ Bolt Guns

Easy-to-install, triggers are investment cast from A-2 tool steel, then heat-treated and drawn to Rc 50-55 for long-lasting reliability. Radius ground sear surfaces help eliminate creep and enhance overall smoothness. Adjusts for weight of pull and uses the factory safety with no alterations. RU-MK II™ fits all Ruger M77® MKII™ rifles with 3-position safety. RU-R replaces the non-adjustable trigger in 77/22® and 77/17® rimfire rifles. Will not fit V/T Models with 2 stage trigger.

RUGER® BOLT ACTION TRIGGERS RIFLE BASIX RUMK II TRIGGER Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® Bolt Action Triggers Rifle Basix RUMK II Trigger. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation or usage.

General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or a knowledgeable individual familiar with firearm modifications.
- Always treat firearms with respect and assume they are loaded until verified otherwise.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Do not exceed the recommended weight of pull adjustments for the RUMK II and RUR triggers.
- Always use the factory safety mechanism with no alterations to ensure maximum safety.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Ensure that the firearm is pointed in a safe direction at all times during installation and testing.
- If you experience any issues with the trigger, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the stock from the firearm to access the trigger assembly.
- Carefully remove the existing trigger and replace it with the RUMK II or RUR trigger, following the manufacturer's instructions.
- Adjust the weight of pull according to your preference, ensuring it remains within the specified range.
- Reassemble the firearm and ensure all parts are secure before usage.

2. Usage:

- Always check that the trigger is functioning properly before each use.
- Ensure the safety is engaged until you are ready to fire.
- Regularly practice safe handling and shooting techniques to maintain proficiency.

Disposal Instructions

- Dispose of any old or unused triggers and components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular trash. Instead, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® Bolt Action Triggers Rifle Basix RUMK II Trigger, please consult a qualified professional or refer to the manufacturer's website for additional resources.

Important Reminders

- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform to ensure your safety and compliance with regulations.

By following these guidelines, you can help ensure a safe and enjoyable experience with your RUGER® Bolt Action Triggers Rifle Basix RUMK II Trigger. Thank you for your attention to safety.
