# CZ452 Custom Rifle Trigger Safety Instructions

## Introduction

Thank you for choosing the CZ452 Custom Rifle Trigger by RIFLE BASIX. This product is designed to enhance your shooting experience by providing a customizable trigger pull weight for competition and hunting. It is essential to understand and follow all safety guidelines to ensure safe and effective use of this product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store your firearm and trigger assembly securely and out of reach of children.
- Use appropriate eye and ear protection when shooting.
- Ensure that you are familiar with your firearm and its operation before installing the trigger.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and modifications.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The trigger pull weight can be adjusted from a light 12 oz. to a maximum of 3 lb. Ensure you are comfortable with the pull weight you choose.
- Avoid adjusting the trigger pull weight while the firearm is loaded.
- Always ensure the firearm is pointed in a safe direction when adjusting the trigger.
- If you experience any issues with the trigger or firearm functionality, cease use immediately and consult a qualified gunsmith.
- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### Installation

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Trigger Assembly:** Follow the manufacturer's instructions to safely disassemble the trigger assembly from your CZ 452.
3. **Install the New Trigger:**
  - Insert the new trigger spring and pivot pins as per the product instructions.
  - Attach the nickel plated trigger lever securely.
  - If desired, adjust the sear adjustment screw to manage creep.
4. **Reassemble the Firearm:** Carefully reassemble your firearm, ensuring all components are correctly installed.
5. **Test the Trigger:** Before live firing, conduct a function test to ensure the trigger operates smoothly and safely.

### Usage

- Adjust the trigger pull weight to your preference (between 12 oz. and 3 lb.) using the adjustment screw.
- Always check the trigger function before each use, ensuring it operates as intended.
- Use your firearm in a safe environment, following all standard shooting practices.

## Disposal Instructions

- Dispose of any old trigger components or packaging materials in accordance with local waste

management regulations.

- Do not dispose of any firearm parts in regular household waste. Contact your local waste authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the CZ452 Custom Rifle Trigger or safety concerns, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CZ452 Custom Rifle Trigger. Thank you for prioritizing safety in your shooting activities.
