

# WEATHERBY/HOWA/S&W/ CUSTOM RIFLE TRIGGERS - RIFLE BASIX WTHBY-1 TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Easy-To-Install; Helps Improve Accuracy

Precision made trigger is factory pre-set for a light, crisp pull that requires no further adjustments. CNC machined, aluminum housing provides greater internal clearance for reduced drag and is hardcoat anodized for durability. Hardened steel internal components provide a consistent, smooth pull. Simple drop-in fit replaces factory trigger assembly without alterations. Fits Weatherby Vanguard, Howa with both 2- and 3-position safeties, and Smith & Wesson 1500, right hand only. WTHBY-1 trigger pull weight is preset to approximately 2 to 2½ lb. and is from 1½ to 4 lb. WTHBY-V trigger pull weight is preset to 16 oz., ideal for varmint shooting or competition. Adjustable from 12 oz. to 1½ lb.

## Attributes

- Name: [RIFLE BASIX WTHBY-1 TRIGGER](#)
- Manufacturer: [RIFLE BASIX](#)
- Product no.: 758000022

# Consumer Safety Instruction Guide for WEATHERBY/HOWA/S&W CUSTOM RIFLE TRIGGERS RIFLE BASIX WTHBY1 TRIGGER

## Introduction

Thank you for choosing the WEATHERBY/HOWA/S&W CUSTOM RIFLE TRIGGERS RIFLE BASIX WTHBY1 TRIGGER. This guide provides essential safety information and instructions to ensure the safe use of your trigger. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Always handle firearms and related components with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Keep the trigger and firearm away from children and unauthorized users.
- Regularly inspect the trigger for any signs of damage or wear.
- If you experience any issues with the trigger, cease use immediately and consult a qualified gunsmith.
- Follow all local laws and regulations pertaining to firearm modifications and safety.

## Specific Safety Precautions for Use

- **Trigger Pull Weight:** The WTHBY1 trigger pull weight is preset to approximately 2 to 2½ lb. Ensure you are familiar with this pull weight before use.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to accidental discharge.
- **RightHand Use:** This trigger is designed for righthand use only. Ensure it is installed on a compatible righthand firearm.
- **Compatibility:** Ensure that your firearm is compatible with the trigger. It fits Weatherby Vanguard, Howa with 2 and 3position safeties, and Smith & Wesson 1500.
- **Adjustments:** If you adjust the trigger pull weight, do so incrementally and test the pull weight after each adjustment.
- **Environmental Factors:** Avoid exposing the trigger to extreme temperatures or moisture, which could affect its performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
- Read the product manual thoroughly before beginning the installation process.

### 2. Installation Steps:

- Unload the firearm completely and ensure it is pointed in a safe direction.
- Remove the factory trigger assembly from your firearm according to the manufacturer's instructions.
- Carefully install the WTHBY1 trigger by following these steps:
  - Align the trigger with the mounting points in the firearm.
  - Secure the trigger in place using the screws provided.
  - Ensure the trigger is functioning correctly by testing the pull weight before finalizing the installation.

### 3. Usage:

- Familiarize yourself with the trigger's pull weight and feel before using the firearm in a live setting.
- Always practice safe firearm handling techniques, including keeping your finger off the trigger until ready to shoot.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger or any part of the assembly is damaged beyond repair, consult local waste management guidelines for proper disposal methods to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the WEATHERBY/HOWA/S&W CUSTOM RIFLE TRIGGERS RIFLE BASIX WTHBY1 TRIGGER, please refer to the manufacturer's website or contact their support team for assistance.

Thank you for following these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your shooting experience responsibly!
