

# **BROWNING CITORI BUTT PLATE STOCK ADJUSTER - JONES CITORI BUTT PLATE STOCK ADJUSTER BLACK ALUMINUM**

[Home](#)

Give greater versatility to your shotgun or rifle with up to 1" vertical drop, 22° left or right tilt, and 5/16" horizontal offset of the recoil pad or buttstock position. Ultra-thin, multi-position stock plates add only 1/4, yet provide fast, easy, vertical, horizontal, and diagonal adjustments of buttstock position to match changes in shooting style, clothing, or shooting conditions. Machined steel thread inserts give fast recoil pad changes. Completely pre-drilled, threaded, and made from easy-to-grind aluminum. Browning (B) model is pre-shaped and contoured to fit the Browning Citori Plus and BT99 Plus

# BROWNING CITORI BUTT PLATE STOCK ADJUSTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Browning Citori Butt Plate Stock Adjuster. This product is designed to enhance the versatility of your shotgun or rifle, allowing for adjustable positioning of the recoil pad or buttstock. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before making any adjustments or installations.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate eye protection when using firearms.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Ensure that the stock adjuster is properly installed before using the firearm.
- Be cautious of the adjustment mechanisms while in use to avoid pinching or injury.
- Regularly check the tightness of screws and fittings to ensure they remain secure during use.
- Do not exceed the recommended adjustments of 1" vertical drop, 22° tilt, and 5/16" horizontal offset.
- If you experience any difficulty during adjustments, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare Your Tools:** Gather the necessary tools, including the provided Allen wrenches.
2. **Remove Existing Pad:** If applicable, remove the existing recoil pad from your firearm's buttstock.
3. **Align the Adjuster:** Position the Browning Citori Butt Plate Stock Adjuster on the buttstock, ensuring alignment with the predrilled holes.
4. **Attach the Adjuster:**
  - Use the provided screws to secure the adjuster to the buttstock.
  - Tighten the screws evenly to avoid misalignment.
5. **Check Adjustments:** Ensure that the adjuster is securely attached and that all adjustments (vertical drop, tilt, horizontal offset) are functioning smoothly.

### Usage Instructions

- To adjust the vertical drop, tilt, or horizontal offset, loosen the respective screws, make the desired adjustments, and then retighten the screws securely.
- Always check the adjustments before use to ensure they are set correctly for your shooting style and conditions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the Browning Citori Butt Plate Stock Adjuster, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out for support to ensure safe and proper use of the product.

By following these guidelines and instructions, you can ensure the safe and effective use of your Browning Citori Butt Plate Stock Adjuster. Thank you for prioritizing safety.
