

OIL WIPES - REMINGTON REM OIL WIPES 24-PACK

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Penetrates into the smallest metal pores, then leaves a tough, long-lasting film to help reduce metal-to-metal wear. Quickly displaces even microscopic traces of water for advanced moisture resistance and rust protection. Pre-moistened, disposable towelettes are ideal for wiping down your firearm after a hard day in the field or at the range.

OIL WIPES REMINGTON REM OIL WIPES 24PACK

Safety Instruction Guide

Introduction

Thank you for choosing the Remington Oil Wipes. These premoistened towelettes are designed to help you maintain your firearm by reducing metal-to-metal wear and providing moisture resistance and rust protection. This guide provides essential safety information to ensure the safe use of this product.

General Safety Guidelines

- Always read the label and product information before use.
- Keep out of reach of children and pets to prevent accidental ingestion.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Use only as directed on the label.
- Do not use on surfaces that are not intended for oil application.
- Regularly check for any recalls or safety notices related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Avoid contact with eyes. In case of contact, rinse with plenty of water and seek medical attention if irritation persists.
- Do not inhale vapors. Use in a well-ventilated area.
- If skin irritation occurs, discontinue use and consult a healthcare professional.
- Ensure the firearm is unloaded before cleaning.
- Do not use on hot surfaces or firearms that have just been fired.
- Dispose of used wipes in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe position.
- Gather all necessary materials, including the oil wipes.

2. Application:

- Open the package carefully to avoid tearing the wipes.
- Remove one wipe from the package.
- Wipe down the metal surfaces of your firearm, ensuring even coverage.
- For best results, focus on areas prone to wear and moisture accumulation.

3. PostApplication:

- After use, dispose of the wipe in a trash receptacle. Do not flush.
- Close the package tightly to prevent wipes from drying out.

Disposal Instructions

- Dispose of used wipes in accordance with local waste disposal regulations.
- Do not dispose of wipes in toilets or sinks.
- Check local guidelines for hazardous waste disposal if necessary.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

This safety instruction guide is designed to help you use the Remington Oil Wipes safely and effectively. Always prioritize safety and follow the guidelines provided. Thank you for your attention to these important instructions.
