Consumer Safety Instruction Guide for 2011 40S&W/10MM Magazines High Capacity MAG

Introduction

Thank you for purchasing the 2011 40S&W/10MM Magazines High Capacity MAG. This guide provides essential safety instructions, usage guidelines, and contact information to ensure safe handling and operation of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always handle magazines with care to prevent accidental discharge.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Store magazines in a secure location, away from children and unauthorized users.
- Regularly inspect magazines for signs of wear or damage.
- Follow all local laws and regulations regarding the use and storage of firearm magazines.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of accidental discharge if the magazine is inserted into a loaded firearm.
 - Risk of injury from improper handling or storage.
- **Instructions for Avoiding Hazards:**
 - Always keep the firearm pointed in a safe direction.
 - Do not attempt to modify or alter the magazine.
 - Ensure the magazine is compatible with your firearm model (STI, SVI, McCormick).
 - Use only recommended ammunition types (40 S&W and 10MM).
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the firearm is completely unloaded.
 2. Align the magazine with the magazine well of the firearm.
 3. Press the magazine firmly into the well until it clicks into place.
- **Usage:**
 - To remove the magazine, press the magazine release button while pulling the magazine out of the well.
 - Always check that the magazine is seated properly before firing.
 - For optimal performance, clean and maintain the magazine regularly.
- **Loading the Magazine:**
 1. Hold the magazine with the feed lips facing up.
 2. Insert cartridges one at a time, ensuring they are seated properly.
 3. Do not exceed the magazine's capacity (15 rounds).

Disposal Instructions

- Dispose of magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Consider recycling if possible, following local recycling guidelines.

Contact Information for Further Support

For questions or concerns regarding the safety and use of your product, please contact the manufacturer or refer to the official website for support resources.

By following these guidelines, you can ensure the safe use of your 2011 40S&W/10MM Magazines High Capacity MAG. Thank you for your attention to safety, and enjoy your product responsibly.
