Safety Instruction Guide for 2011 9MM/.38 High Capacity Magazines

Introduction

Thank you for purchasing the 2011 9MM/.38 High Capacity Magazines. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the magazines.

General Safety Guidelines

- Ensure that the magazines are used in accordance with local laws and regulations regarding firearms and ammunition.
- Keep the magazines out of reach of children and unauthorized users.
- Regularly inspect the magazines for wear and damage before each use.
- Do not use the magazines if they show signs of damage, such as cracks or deformation.
- Store the magazines in a cool, dry place to prevent corrosion and degradation.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle magazines with care to avoid accidental discharge of the firearm.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify or alter the magazines in any way.
- Avoid exposing the magazines to extreme temperatures or harsh chemicals.
- Use only ammunition that is compatible with the magazine specifications: 9 mm Luger or 38 Super.
- Follow all manufacturer instructions for the firearm when using these magazines.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is in a safe condition (unloaded).
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine in one hand and use the other hand to load ammunition.
- Insert rounds into the magazine, ensuring they are seated properly.
- Do not exceed the magazine's capacity of 27 rounds.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Cleaning and Maintenance:

- Regularly clean the magazine with a soft cloth to remove dirt and debris.
- Inspect the spring and follower for proper function.
- Lubricate moving parts lightly with appropriate gun oil.

Disposal Instructions

- Dispose of magazines in accordance with local regulations.
- If the magazine is damaged beyond repair, consider recycling metal components where possible.
- Do not dispose of magazines in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product issues, please contact the manufacturer or your local dealer. It is important to have a dedicated point of contact for safety inquiries.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 2011 9MM/.38 High Capacity Magazines. Always prioritize safety and compliance with local laws. Thank you for your attention to these important instructions.
