# MOSIN NAGANT MOUNT SCOUT MOUNT 91/30, 91/59 Safety Instruction Guide

## Introduction

Thank you for choosing the Mosin Nagant Scout Mount 91/30, 91/59 by S&K. This guide provides essential safety instructions and guidelines for the proper use and installation of your mount. Please read this document carefully to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Ensure that the mount is suitable for your specific model (M91/30, M91/59, or M44 Carbine).
- Always handle firearms with care and follow all safety protocols.
- Do not exceed the weight limit specified for the mount and rings.
- Keep the mount and any attached scopes out of reach of children and unauthorized users.
- Regularly inspect the mount and scope for any signs of wear or damage.
- If you notice any issues, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded before installation.
  - Use appropriate tools and follow the installation instructions carefully.
- **Scope Handling:**
  - Avoid using scopes that exceed the specified tube diameter (1 inch).
  - Ensure that the scope is properly secured in the rings to prevent movement during use.
- **Environmental Considerations:**
  - Avoid exposing the mount and scope to extreme temperatures or moisture.
  - Store the mount in a dry, cool place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any other required equipment.
- Ensure your workspace is clean and free from distractions.

### 2. Mount Installation:

- Remove the existing rear sight from your Mosin Nagant rifle.
- Align the aluminum base of the mount with the mounting points on the rifle.
- Secure the mount using the provided screws, ensuring it is tightly fastened.

### 3. Scope Attachment:

- Select a long eye relief, scout, or handgun scope compatible with the mount.
- Place the scope into the horizontally split steel rings.
- Adjust the scope to the desired position and tighten the rings securely.

### 4. Final Checks:

- Ensure that the mount and scope are firmly attached and do not move when manipulated.

- Check the alignment of the scope with the rifle's sights.

#### **5. Usage:**

- Always follow standard firearm safety practices when using your rifle with the mounted scope.
- Regularly check the tightness of the mount and scope during use.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the mount is no longer usable, dispose of it in accordance with local regulations for metal products.
- Ensure that any hazardous materials are disposed of in a safe manner.

## **Contact Information for Further Support**

For any questions or concerns regarding the Mosin Nagant Scout Mount, please consult the manufacturer's website or customer service for assistance. Always ensure that you have the most current information regarding product safety and usage.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Mosin Nagant Scout Mount. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these important safety measures.
