# MOSIN NAGANT SCOUT MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the MOSIN NAGANT SCOUT MOUNT. This guide provides essential safety instructions and information for the proper use of this product. Please read this manual thoroughly before installation and usage to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the mount.
- Inspect the mount and all components for any signs of damage or wear before use.
- Use only compatible scopes with the mount to avoid safety hazards.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you encounter any issues or have concerns about the product, contact the appropriate authorities or the manufacturer.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure that the installation area is clean and free from distractions.
- Use appropriate tools and follow the installation instructions carefully.

### • Usage Safety:

- Always wear appropriate eye protection when using the firearm with the mounted scope.
- Do not exceed the manufacturer's specifications for scope weight and size.
- Avoid using the firearm in conditions that could impair your ability to handle it safely (e.g., poor visibility, adverse weather).

### • Maintenance Safety:

- Regularly check the mount and scope for tightness and integrity.
- Clean the mount and scope according to the manufacturer's recommendations.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver and any additional equipment specified in the installation instructions.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the rear sight from the Mosin Nagant rifle.
- Align the aluminum base of the scout mount with the mounting points where the rear sight was located.
- Secure the mount using the provided screws, ensuring it is firmly attached without overtightening.
- Attach the horizontally split steel rings to the mount, ensuring they are secured properly.

### **3. Scope Attachment:**

- Place the scope into the steel rings and adjust it for optimal eye relief.
- Tighten the rings carefully, ensuring the scope is held securely without damaging it.

### **4. Final Checks:**

- Inspect the installation to ensure all components are secure.
- Perform a function check on the firearm to ensure proper operation.

### **5. Usage:**

- When ready to use, ensure the firearm is pointed in a safe direction and that you are in a controlled environment.
- Always follow safe firearm handling practices.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding waste and recycling.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for aluminum and steel components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MOSIN NAGANT SCOUT MOUNT, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MOSIN NAGANT SCOUT MOUNT. Thank you for prioritizing safety!
