Safety Instruction Guide for COMP II SPEEDLOADER

Introduction

Thank you for choosing the COMP II SPEEDLOADER designed for use with Smith & Wesson "K" frame, Dan Wesson, and Taurus models 66, 669, and 689. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the speedloader.

General Safety Guidelines

- Ensure that the speedloader is used only with compatible firearms as specified in the product description.
- Always treat all firearms as if they are loaded, even if you believe they are not.
- Store the speedloader and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the speedloader for any signs of wear or damage before use.
- Do not modify or alter the speedloader in any way.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Always keep your finger off the trigger until you are ready to shoot.
- Use the speedloader only when you are in a safe and controlled environment.
- Ensure that the firearm is pointed in a safe direction when loading or unloading.
- Do not force the speedloader into the cylinder; ensure proper alignment before use.
- If the speedloader does not function as intended, cease use immediately and seek assistance.

Instructions for Installation and Usage

• Loading the Speedloader:

1. Hold the speedloader with the outer ring in one hand.
2. Insert the bullets into the speedloader, ensuring that they are seated properly.
3. Make sure the rounds are securely held in place.

• Using the Speedloader:

1. Position the speedloader over the cylinder of the firearm.
2. Align the bullet noses with the chambers of the cylinder.
3. Apply a single "push" motion downward to release the rounds into the cylinder.
4. Remove the speedloader from the firearm once the rounds are loaded.

• Unloading the Speedloader:

1. If necessary, remove any rounds from the speedloader by reversing the loading procedure.
2. Follow safe unloading procedures for your firearm to ensure it is clear.

Disposal Instructions

- Dispose of the speedloader in accordance with local regulations regarding plastic waste.
- If the speedloader is damaged beyond use, it should be disposed of in a manner that prevents unauthorized access.

Contact Information for Further Support

For any safety inquiries or assistance regarding the COMP II SPEEDLOADER, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Conclusion

By following the safety guidelines and instructions provided in this guide, you can ensure the safe and effective use of the COMP II SPEEDLOADER. Always prioritize safety and stay informed about best practices in firearm handling and maintenance. Thank you for your attention to these important safety measures.
