## Adds One Or Two Additional Rounds To Your Remington Shotgun

Machined steel magazine extensions increase capacity without gunsmithing or permanent alterations to your Remington 870, 1100 or 11-87 shotgun. Knurled, threaded collar screws onto the end of the mag tube. Includes high-performance, extended length magazine spring and an unbreakable, high-visibility, nylon follower. Loop models features a stationary loop on the left side of the extension to accept direct attachment of tactical-style slings without swivels. QD stud models include a quick-detach, swivel stud mounted either in the center of the magazine cap or at the front of a plate below the extension to accept slings with quick-detach swivels. All models fit 12 gauge only.

# REMINGTON 870/1100/1187 Extended Magazine Tube Safety Instructions

## Introduction

Thank you for choosing the REMINGTON 870/1100/1187 Extended Magazine Tube by SCATTERGUN TECHNOLOGY. This product is designed to enhance the capacity of your shotgun safely and effectively. Please read and follow these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** This product has been designed and manufactured to ensure safe use. It is important to follow all instructions and guidelines to minimize risks.
- **Enhanced Recalls:** Be aware of any recall notices that may be issued for this product. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, such as children. This product is not intended for use by children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Before using the magazine tube, read all instructions and warnings provided in this manual.
- **Check Compatibility:** Ensure that the magazine tube is compatible with your Remington 870, 1100, or 1187 shotgun. This product is designed for 12gauge shotguns only.
- **Inspect the Product:** Before installation, inspect the magazine tube and all components for any signs of damage or defects.
- **Use Appropriate Ammunition:** Only use ammunition that is compatible with your shotgun. Refer to your shotgun's manual for specifications.
- **Store Safely:** Store the magazine tube and shotgun in a secure location, away from children and unauthorized users.
- **Avoid Modifications:** Do not attempt to modify or alter the magazine tube in any way, as this may compromise safety.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** You will need basic tools such as a screwdriver to install the magazine tube.
2. **Remove the Existing Magazine Tube:** Follow your shotgun's manual to safely remove the existing magazine tube.
3. **Install the Extended Magazine Tube:**
  - Align the knurled, threaded collar of the new magazine tube with the shotgun's receiver.
  - Screw the collar onto the end of the magazine tube until secure.
4. **Install the Magazine Spring and Follower:**
  - Insert the highperformance magazine spring into the tube.
  - Place the unbreakable, highvisibility nylon follower on top of the spring.
5. **Reassemble the Shotgun:** Follow the shotgun's manual to reassemble the shotgun after installation.

## Usage

- **Loading:** Load the shotgun according to the manufacturer's instructions. Ensure the magazine tube is filled correctly.
- **Sling Attachment:** If using a loop model, attach tactical style slings directly to the stationary loop. For QD stud models, attach slings using the quickdetach swivel stud.
- **Firing:** Always ensure that the shotgun is pointed in a safe direction when firing.

## Disposal Instructions

- **Product Disposal:** Dispose of the magazine tube and any associated components in accordance with local regulations. Do not dispose of in household waste.
- **Environmental Considerations:** Ensure that all materials are disposed of in an environmentally friendly manner. Check with local waste management authorities for guidance.
