Safety Instruction Guide for REMINGTON TRAKLOCK GHOST RING FRONT SIGHT

Introduction

Thank you for choosing the REMINGTON TRAKLOCK GHOST RING FRONT SIGHT. This product is designed to enhance your shooting experience with its selfilluminating Tritium dot front sight. This guide provides important safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is designed to be safe when used according to the instructions. Ensure that you follow all guidelines to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Stay informed about any recalls that may affect your product.
- **Online Shopping:** If you purchase this product online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Please ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact information provided upon purchase.
- **Rapid Alerts:** Stay updated on product safety via the EU's Safety Gate platform, which provides rapid alerts on unsafe products.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure that the installation is done by a qualified gunsmith to avoid improper fitting.
 - Use the appropriate tools for drilling and tapping the receiver.
- **Handling Precautions:**
 - Always treat firearms as if they are loaded.
 - Ensure the firearm is pointed in a safe direction during installation.
- **Product Limitations:**
 - This sight is designed for specific models (Remington 1187, 1100, 870, and SPT12). Verify compatibility before use.
- **Epoxy Requirement:**
 - The sight does not come with epoxy. Ensure you obtain suitable epoxy for installation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: drill, tap, epoxy, and appropriate sighting tools.
- Ensure your firearm is unloaded and safe to work on.

2. Installation:

- Identify the location for the front sight on the barrel.
- Drill and tap the receiver according to the specifications of the sight.
- Apply a suitable epoxy to the base of the sight and position it over the factory front sight location.
- Allow the epoxy to cure according to the manufacturer's instructions before using the firearm.

3. Usage:

- After installation, ensure that the sight is securely attached.
- Familiarize yourself with the sighting system before using the firearm in a live environment.
- Regularly inspect the sight for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories and hazardous materials.
- Do not dispose of the product in household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For additional support or inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your purchase.

By following this guide, you can ensure a safe and effective use of the REMINGTON TRAKLOCK GHOST RING FRONT SIGHT. Always prioritize safety and compliance with all local laws and regulations regarding firearms and their accessories.
