SCATTERGUN TECHNOLOGIES REMINGTON LEFT SIDE SLING MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SCATTERGUN TECHNOLOGIES REMINGTON LEFT SIDE SLING MOUNT. This product is designed to enhance the functionality of your shotgun while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any accidents during use.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sling mount for signs of wear and tear. Replace it if any damage is found.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sling mount.
- Avoid using the sling mount with slings wider than 1¼ inches, as this may compromise safety.
- Do not modify the sling mount in any way, as alterations may lead to safety hazards.
- Always ensure that the triggerguard is accessible when the firearm is in use.
- Use the sling mount only with compatible Remington models, specifically the Remington 870.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the magazine cap on your Remington 870.
- Remove the magazine cap by turning it counterclockwise.
- Place the sling mount underneath the magazine cap.
- Reattach the magazine cap by turning it clockwise until secure. Ensure that the ball detent locks the mount in place.
- Verify that the sling mount is securely attached before proceeding.

2. Usage:

- Attach your sling to the sling mount, ensuring that it is properly secured.
- When using the firearm, ensure that the sling allows for easy access to the triggerguard.
- Always maintain proper firearm handling practices while using the sling mount.

3. Maintenance:

- Regularly inspect the sling mount for any signs of damage or wear.
- Clean the sling mount with a soft cloth to remove dirt and debris.
- If the sling mount shows signs of deterioration, discontinue use and replace it immediately.

Disposal Instructions

- Dispose of the sling mount according to local regulations for metal waste.
- Ensure that the product is disposed of in a manner that prevents it from being accessed by children or unauthorized users.

Contact Information for Further Support

For any questions or concerns regarding the SCATTERGUN TECHNOLOGIES REMINGTON LEFT SIDE SLING MOUNT, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new sling mount responsibly.
