

# **REMINGTON 870/1100/11-87 EXTENDED MAGAZINE TUBE - SCATTERGUN TECHNOLOGY REMINGTON 870/1100/11-87 EXT MAG TUBE,LEFT-SIDE LOOP, 2RDS**

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

## **Adds One Or Two Additional Rounds To Your Remington Shotgun**

Machined steel magazine extensions increase capacity without gunsmithing or permanent alterations to your Remington 870, 1100 or 11-87 shotgun.

Knurled, threaded collar screws onto the end of the mag tube. Includes high-performance, extended length magazine spring and an unbreakable, high-visibility, nylon follower. Loop models features a stationary loop on the left side of the extension to accept direct attachment of tactical-style slings without swivels. QD stud models include a quick-detach, swivel stud mounted either in the center of the magazine cap or at the front of a plate below the extension to accept slings with quick-detach swivels. All models fit 12 gauge only.

# REMINGTON 870/1100/1187 Extended Magazine Tube Safety Instructions

## Introduction

Thank you for choosing the REMINGTON 870/1100/1187 Extended Magazine Tube by SCATTERGUN TECHNOLOGY. This product is designed to enhance the capacity of your shotgun while ensuring safe and effective use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with your shotgun's operation and safety features before using the extended magazine tube.
- Always treat firearms as if they are loaded. Keep the muzzle pointed in a safe direction at all times.
- Store the extended magazine tube and your shotgun in a secure location, away from children and unauthorized users.
- Regularly inspect the magazine tube for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and modifications.

## Specific Safety Precautions for Use

- Only use the extended magazine tube with Remington 870, 1100, or 1187 shotguns, specifically designed for 12 gauge.
- Ensure that the magazine tube is properly installed before use. A loose or improperly installed tube can cause malfunctions.
- Always use the provided highperformance magazine spring and nylon follower to ensure reliable feeding.
- Avoid using the magazine tube with ammunition types that are not compatible with your shotgun.
- If you experience any malfunctions or issues while using the extended magazine tube, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Remove the existing magazine cap from your shotgun.
- Attach the knurled, threaded collar of the extended magazine tube to the end of the magazine tube on your shotgun. Handtighten securely.
- If applicable, ensure that the stationary loop or quickdetach stud is positioned correctly for your preferred sling attachment.
- Replace the magazine spring and nylon follower as per the instructions provided with the product.
- Reattach the magazine cap, ensuring it is secure.

### 2. Usage:

- Load the shotgun with compatible ammunition, ensuring it is seated properly in the magazine.
- When ready to fire, ensure your finger is off the trigger until you are ready to shoot.
- After firing, follow safe unloading procedures to ensure the firearm is clear.

## Disposal Instructions

- Dispose of the extended magazine tube in accordance with local regulations regarding firearm accessories.
- If the product is damaged beyond repair, contact your local waste management authority for guidance on proper disposal methods.
- Do not dispose of the extended magazine tube in regular household waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the REMINGTON 870/1100/1187 Extended Magazine Tube, please refer to the product packaging for the EUbased contact information or consult your local retailer.

**Important Note:** This safety instruction guide is intended to assist in the safe use of the REMINGTON 870/1100/1187 Extended Magazine Tube. Always prioritize safety and compliance with local laws and regulations.
