

REMINGTON 700 ADL ALUMINUM TRIGGERGUARD - BAT MACHINE BLACK 700 TRIGGERGUARD

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

Light Weight; High Polish Finish Improves Appearance

Beautifully machined with a highly polished finish to look better and last longer than the original factory part. Polished Black replaces the fragile, plastic piece. Polished Silver replaces the bead-blasted, factory part. Drop-in fit on Remington 700 ADL and other rifles with a blind magazine.

REMINGTON 700 ADL Aluminum Triggerguard

Safety Instructions

Introduction

Thank you for choosing the REMINGTON 700 ADL Aluminum Triggerguard by BAT MACHINE. This product has been designed to enhance the performance and durability of your firearm. Please read this safety instruction guide carefully to ensure safe use and installation of your new triggerguard.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your triggerguard and firearm clean and free from obstructions.
- Store your firearm and triggerguard in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your triggerguard for any signs of wear or damage before use.
- Report any unsafe products and accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with Remington 700 ADL rifles or compatible models with a blind magazine.
- Avoid using excessive force during installation to prevent damage to the triggerguard or the firearm.
- Do not modify the triggerguard in any way, as this may compromise safety and functionality.
- Be aware of the polished finish; handle with care to avoid scratches or fingerprints that may affect appearance.
- Ensure that the triggerguard is securely attached before handling or firing your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a screwdriver.

2. Installation Steps:

- Remove the original factory triggerguard from your Remington 700 ADL rifle.
- Align the BAT MACHINE Aluminum Triggerguard with the mounting points on the rifle.
- Securely fasten the triggerguard using the appropriate screws, ensuring it is tightly fitted without overtightening.

3. PostInstallation Check:

- Verify that the triggerguard is securely installed and does not move when gently pulled.
- Conduct a function check of the firearm to ensure proper operation.

4. Usage:

- Regularly check the triggerguard for any signs of wear or damage during routine firearm inspections.
- Clean the triggerguard as needed to maintain its polished finish.

Disposal Instructions

- Dispose of the original factory triggerguard and any packaging materials in accordance with local regulations.
- Do not dispose of the triggerguard in regular household waste if it is damaged; check for local recycling programs that accept metal products.

Contact Information for Further Support

For safety inquiries or additional support regarding the REMINGTON 700 ADL Aluminum Triggerguard, please refer to the contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your REMINGTON 700 ADL Aluminum Triggerguard. Thank you for your commitment to firearm safety.
