AR15 BORE GUIDE SATERN .223/5.56 BORE GUIDE

Safety Instructions

Introduction

Thank you for choosing the AR15 BORE GUIDE SATERN .223/5.56 BORE GUIDE. This product is designed to help you clean your AR15 safely and effectively from the breech, minimizing the risk of damage to the muzzle or chamber. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and ensure they are unloaded before cleaning.
- Keep the bore guide out of reach of children and vulnerable individuals.
- Regularly inspect the bore guide for wear or damage before each use.
- Report any unsafe conditions or incidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Always use the bore guide in a wellventilated area to avoid inhalation of cleaning chemicals.
- Wear safety goggles and gloves when handling solvents and cleaning materials.
- Never exceed the recommended length of cleaning rods or tools used with the bore guide.
- Ensure that the Oring seal is intact to prevent chemicals from entering the action.
- Do not use the bore guide if it shows any signs of damage or wear.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your AR15 is completely unloaded and the chamber is clear.
- Gather all necessary cleaning supplies, including solvents, cleaning rods, brushes, and patches.

2. Installation:

- Remove the bolt carrier from the upper receiver of your AR15.
- Insert the bore guide into the upper receiver, ensuring it is properly seated.
- The bore guide should selfcenter within the receiver.

3. Cleaning:

- Attach your cleaning rod to the bore guide.
- Use appropriate cleaning solvents and brushes to clean the bore and chamber.
- Ensure that the Oring seal at the breech and solvent port is functioning correctly to keep chemicals out of the action.

4. PostCleaning:

- Remove the bore guide after cleaning and inspect it for any signs of wear or damage.
- Store the bore guide in a safe and dry location, out of reach of children.

Disposal Instructions

- Dispose of used cleaning materials, solvents, and the bore guide in accordance with local regulations.
- Do not dispose of any cleaning chemicals down the drain or in regular trash unless specified by local waste management guidelines.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or to report unsafe products, please consult the relevant authorities or the EU's Safety Gate platform for updates and information.

Thank you for prioritizing safety and compliance while using the AR15 BORE GUIDE SATERN .223/5.56 BORE GUIDE. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
