

XD SUB-COMPACT 9MM MAGAZINES - XD 13 ROUND 9MM MAGAZINE SUB-COMPACT

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Made In The "Factory Way" For Smooth, Reliable Feeding

Long-lasting, stainless steel, high-capacity magazines are made to precise, factory tolerances to ensure maximum firepower and reliability from your Springfield XD pistol. Steel spring and molded polymer follower feed rounds smoothly and reliably to the chamber, every time. Highly polished body won't drag or hang-up during high-speed, tactical reloads. High-impact, polymer, base bad removes easily for cleaning. Numbered witness holes provide quick round count. Compact & sub-compact models fit flush.

XD SubCompact 9mm Magazines Safety Instruction Guide

Introduction

Thank you for choosing the XD SubCompact 9mm Magazines. This guide provides important safety instructions and information to ensure the safe use and handling of your magazines. Please read this guide carefully before use to understand how to operate and maintain your product safely.

General Safety Guidelines

- Ensure that all firearms and ammunition are stored securely and out of reach of children and unauthorized users.
- Always treat every firearm as if it is loaded.
- Use only the recommended ammunition type (9mm Luger) for your magazines.
- Inspect magazines before each use for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always keep your finger off the trigger until you are ready to shoot.
- Do not load magazines in areas where it is not safe to discharge a firearm.
- Ensure that the magazine is properly seated in the firearm before attempting to fire.
- Avoid using damaged magazines. Replace any magazines that show signs of wear, such as cracks or dents.
- Do not attempt to disassemble or modify the magazine unless instructed to do so by the manufacturer.
- Store magazines in a cool, dry place to prevent corrosion and damage.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the base pad facing down.
- Insert rounds into the magazine, starting from the top. Push down on the round until it clicks into place.
- Continue loading until the desired capacity (10 or 13 rounds) is reached.

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Hold the firearm with one hand and the magazine with the other.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and that the safety is engaged.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

4. Cleaning the Magazine:

- Remove the magazine from the firearm and ensure it is empty.
- Use a soft cloth to wipe the exterior of the magazine.
- Remove the base pad by following the manufacturer's instructions for cleaning.
- Clean the interior of the magazine with a soft brush if necessary.
- Reattach the base pad securely after cleaning.

Disposal Instructions

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Check local guidelines for hazardous waste disposal if applicable.

Contact Information for Further Support

For any questions or concerns regarding the XD SubCompact 9mm Magazines, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and responsible handling of your XD SubCompact 9mm Magazines. Your attention to these guidelines helps ensure a safer experience for everyone.
