# Safety Instruction Guide for GUNSMITH HAMMER HEADS & HANDLES

## Introduction

Thank you for choosing the GUNSMITH HAMMER HEADS & HANDLES by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your hammer heads and handles. Please read this guide carefully before using the product to avoid any hazards and ensure optimal performance.

## General Safety Guidelines

- Always inspect the hammer heads and handles for any signs of damage before use. Do not use damaged components.
- Keep the work area clean and welllit to avoid accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against debris and impacts.
- Ensure that the hammer heads are securely attached to the handles before use.
- Store the tools in a dry place, away from moisture and extreme temperatures, to maintain their integrity.
- Do not use the hammer heads for purposes other than their intended use.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not suitable for children. Always supervise minors if they are in the vicinity of the tools.
- **Use on Suitable Materials:** Ensure that the hammer heads are compatible with the materials you are working on to prevent damage or injury.
- **Avoid Overexertion:** Use appropriate force when striking. Excessive force can lead to tool failure or injury.
- **Proper Grip:** Always maintain a firm grip on the hammer handle while using it to prevent slippage.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the tools.

## Instructions for Installation and Usage

### 1. Selecting the Hammer Head:

- Choose the appropriate hammer head based on the material and task requirements.
- Ensure that the selected head is compatible with the handle you are using.

### 2. Attaching the Hammer Head:

- Align the hammer head with the handle.
- Secure the head by following the manufacturer's instructions for pinning and threading, ensuring a tight fit.

### 3. Using the Hammer:

- Hold the hammer firmly by the handle.
- Strike the intended surface with controlled force.
- If the hammer head becomes loose during use, stop immediately and resecure it before continuing.

### 4. After Use:

- Clean the hammer heads and handles to remove any debris or residue.
- Store the tools in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of any damaged or wornout hammer heads and handles in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs in your area.
- Ensure that all components are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the GUNSMITH HAMMER HEADS & HANDLES, please refer to the contact information provided by the retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with your GUNSMITH HAMMER HEADS & HANDLES. Always prioritize safety and proper usage to maximize the lifespan and performance of your tools.
