## Mix & Match Heads Offer Wide Versatility

GUNSMITH HAMMER HEADS & HANDLES The Brownell's, Inc. Hammer Heads & Handles provide high-quality replacement and upgrade options for gunsmiths and craftsmen who require reliable tools for their precision tasks. Made in the USA, these components are built to meet the demands of professionals and enthusiasts alike. Key Features: Premium Replacement Heads: Available in various materials, including brass, steel, plastic and nylon, to suit different gunsmithing applications. These heads are designed for durability and non-marring performance, making them ideal for delicate firearm work. Durable Hickory Handles: Made from properly seasoned hickory, these handles are engineered for strength, shock absorption, and comfort. They ensure a secure grip and precise control during use. Customizable Design: The modular nature of the heads and handles allows users to create a tool perfectly suited to their specific needs, whether for light assembly tasks or more robust applications. Precision Machining: Each component is meticulously crafted to ensure seamless compatibility and reliable performance for a variety of gunsmithing tasks. Applications: These Brownell's, Inc. Hammer Heads & Handles are perfect for replacing worn-out parts or customizing tools to better suit your needs. They excel in tasks like pin driving, part alignment, and surface adjustments, ensuring professional results without damaging sensitive components. Customer Feedback: Users appreciate the high-quality craftsmanship and durability of the heads and handles. The ability to customize tools for specific tasks is frequently noted as a standout feature, along with the ergonomic design of the hickory handles. Summary: The Brownells, Inc. Hammer Heads & Handles offer a premium solution for maintaining and upgrading essential gunsmithing tools. Combining superior materials with expert craftsmanship, these components deliver precision, reliability, and versatility, making them an excellent choice for professionals and hobbyists alike. Handle Specifications: Solid hickory w/pinned and threaded cast head. Diameters and lengths as follows: 7/8" (22.2mm) dia., 10 1/2" (26.67cm); 1" (2.5cm) dia., 10 1/2" (26.67cm); 1 1/8" (28.6cm) dia., 11 1/2" (29.2cm); 1 1/4" (3.8cm) dia., 11 3/4" (29.8cm); 1 1/2" (5.1cm) dia., 13 1/2" (34.6cm). Individual Hammer Heads Specifications: Materials as follows: Orange Plastic - Extremely tough, harder than Nylon tip for general work. Nylon - Tough, softer than plastic tip resistant to cracking, chipping or splitting. \*Pyralin® - Similar to nylon, used in the 2" diameter only. Phenolic - Resin impregnated, cloth- reinforced tip. Very dense, highly resistant to abrasion, splitting, breaking. Brass - The gunsmith's favorite for use on punches. Steel - Most durable for general use.

## Attributes

- Name: [BROWNELLS HAMMER HEAD, NYLON, 3/4"](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 818200034
- Mfr. No.: 050034
- Colour: Off White

- Material: Nylon
- Size: 3/4
- Style: Nylon
- Weight: 0.016 lbs
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806023529

# Safety Instruction Guide for GUNSMITH HAMMER HEADS & HANDLES

## Introduction

Thank you for choosing the GUNSMITH HAMMER HEADS & HANDLES by Brownells. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the product to avoid any potential hazards and to ensure a safe experience.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always inspect the hammer heads and handles for any signs of damage or wear before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against flying debris and impact.
- Keep the workspace clean and free of clutter to prevent accidents.
- Store the hammer heads and handles in a safe, dry place when not in use to avoid damage and ensure longevity.
- Do not modify or alter the product in any way, as this may compromise safety and performance.
- Always follow local regulations regarding the disposal of tools and materials.

## Specific Safety Precautions for Use

- Use the appropriate hammer head for the specific task to minimize the risk of damage to the workpiece.
- Avoid using excessive force when striking; let the weight of the hammer do the work.
- Ensure that the workpiece is secure and stable before applying force with the hammer.
- Do not use the hammer heads for tasks they are not designed for, such as prying or chiseling.
- Keep hands and fingers clear of the striking area to prevent injury.
- If using the hammer for delicate work, ensure that you have the correct nonmarring head to avoid damaging sensitive components.

## Instructions for Installation and Usage

### • Installation of Hammer Heads:

1. Select the appropriate hammer head based on your task requirements.
2. Align the hammer head with the handle, ensuring that the pinned and threaded connection is clean and free of debris.
3. Secure the hammer head onto the handle by tightening the threaded connection firmly, but do not overtighten to avoid damage.

### • Usage Instructions:

1. Hold the hammer by the hickory handle, ensuring a firm grip.
2. Position the hammer head against the workpiece at the desired angle.
3. Strike the hammer head with controlled force, allowing the weight of the hammer to assist in the task.
4. After use, clean the hammer heads and handles to remove any debris or residue.

## Disposal Instructions

- Dispose of all components in accordance with local regulations.
- Do not dispose of the hammer heads and handles in regular household waste if they contain hazardous

materials.

- Consider recycling options for materials such as metal and plastic, if applicable.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the GUNSMITH HAMMER HEADS & HANDLES, please contact the manufacturer or authorized dealer. Ensure to have the product details ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and efficient experience when using the GUNSMITH HAMMER HEADS & HANDLES. Thank you for prioritizing safety in your craftsmanship.
