Mix & Match Heads Offer Wide Versatility

GUNSMITH HAMMER HEADS & HANDLES The Brownell's, Inc. Hammer Heads & Handles provide high-quality replacement and upgrade options for gunsmiths and craftsmen who require reliable tools for their precision tasks. Made in the USA, these components are built to meet the demands of professionals and enthusiasts alike. Key Features: Premium Replacement Heads: Available in various materials, including brass, steel, plastic and nylon, to suit different gunsmithing applications. These heads are designed for durability and non-marring performance, making them ideal for delicate firearm work. Durable Hickory Handles: Made from properly seasoned hickory, these handles are engineered for strength, shock absorption, and comfort. They ensure a secure grip and precise control during use. Customizable Design: The modular nature of the heads and handles allows users to create a tool perfectly suited to their specific needs, whether for light assembly tasks or more robust applications. Precision Machining: Each component is meticulously crafted to ensure seamless compatibility and reliable performance for a variety of gunsmithing tasks. Applications: These Brownell's, Inc. Hammer Heads & Handles are perfect for replacing worn-out parts or customizing tools to better suit your needs. They excel in tasks like pin driving, part alignment, and surface adjustments, ensuring professional results without damaging sensitive components. Customer Feedback: Users appreciate the high-quality craftsmanship and durability of the heads and handles. The ability to customize tools for specific tasks is frequently noted as a standout feature, along with the ergonomic design of the hickory handles. Summary: The Brownells, Inc. Hammer Heads & Handles offer a premium solution for maintaining and upgrading essential gunsmithing tools. Combining superior materials with expert craftsmanship, these components deliver precision, reliability, and versatility, making them an excellent choice for professionals and hobbyists alike. Handle Specifications: Solid hickory w/pinned and threaded cast head. Diameters and lengths as follows: ?" (19.0mm) dia., 10 1/2" (26.67cm); 7??" (22.2mm) dia., 10 1/2" (26.67cm); 1" (2.5cm) dia., 10??" (26.67cm); 1??" (28.6cm) dia., 11??" (29.2cm); 1??" (3.8cm) dia., 11??" (29.8cm); 2" (5.1cm) dia., 13-5??" (34.6cm). Individual Hammer Heads Specifications: Materials as follows: Orange Plastic - Extremely tough, harder than Nylon tip for general work. Nylon - Tough, softer than plastic tip resistant to cracking, chipping or splitting. *Pyralin® - Similar to nylon, used in the 2" diameter only. Phenolic - Resin impregnated, cloth- reinforced tip. Very dense, highly resistant to abrasion, splitting, breaking. Brass - The gunsmith's favorite for use on punches. Steel - Most durable for general use.

Safety Instruction Guide for GUNSMITH HAMMER HEADS & HANDLES

Introduction

Thank you for choosing the GUNSMITH HAMMER HEADS & HANDLES by Brownells, Inc. This product is designed to provide highquality replacement and upgrade options for gunsmiths and craftsmen. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that the hammer heads and handles are used only for their intended purpose.
- Always inspect the product for any signs of damage before use. Do not use if any components are cracked, broken, or worn.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling tools.
- Follow all local laws and regulations regarding the use of tools and firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the hammer, ensure that you have a secure grip on the handle to prevent slippage.
- Avoid striking hard surfaces that may cause the hammer head to chip or break.
- Use the appropriate hammer head material for your specific task to minimize the risk of damage to your workpiece.
- Be cautious of flying debris when using the hammer, especially when working on hard materials.
- Do not modify or alter the hammer heads or handles in any way, as this may compromise safety and performance.
- Always store the hammer heads and handles in a safe, dry place when not in use to prevent damage.

Instructions for Installation and Usage

1. Selecting the Hammer Head:

- Choose the appropriate hammer head based on the material and task at hand:
 - Orange Plastic For general work.
 - Nylon For tasks requiring a softer touch.
 - Pyralin For use in the 2" diameter only.
 - Phenolic For heavyduty applications.
 - Brass Ideal for use on punches.
 - Steel Most durable for general use.

2. Attaching the Hammer Head:

- Align the hammer head with the handle's threaded end.
- Securely fasten the hammer head by threading it onto the handle until it is snug.

3. Using the Hammer:

- Position the workpiece securely to prevent movement.
- Hold the hammer firmly by the hickory handle.

- Strike the workpiece with controlled force, ensuring accuracy and safety.

4. After Use:

- Clean the hammer heads and handles after use to remove any debris or residue.
- Inspect the components for wear and tear. Replace any damaged parts immediately.

Disposal Instructions

- Dispose of the hammer heads and handles responsibly. Do not throw them in regular waste.
- Check local regulations for the proper disposal of tools and materials.
- If the product is no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GUNSMITH HAMMER HEADS & HANDLES, please refer to the contact information provided by the manufacturer. It is important to have access to support for any questions or issues you may encounter.

By following these safety instructions, you can ensure a safe and effective experience using the GUNSMITH HAMMER HEADS & HANDLES. Thank you for your attention to safety.
