Mix & Match Heads Offer Wide Versatility

GUNSMITH HAMMER HEADS & HANDLES The Brownell's, Inc. Hammer Heads & Handles provide high-quality replacement and upgrade options for gunsmiths and craftsmen who require reliable tools for their precision tasks. Made in the USA, these components are built to meet the demands of professionals and enthusiasts alike. Key Features: Premium Replacement Heads: Available in various materials, including brass, steel, plastic and nylon, to suit different gunsmithing applications. These heads are designed for durability and non-marring performance, making them ideal for delicate firearm work. Durable Hickory Handles: Made from properly seasoned hickory, these handles are engineered for strength, shock absorption, and comfort. They ensure a secure grip and precise control during use. Customizable Design: The modular nature of the heads and handles allows users to create a tool perfectly suited to their specific needs, whether for light assembly tasks or more robust applications. Precision Machining: Each component is meticulously crafted to ensure seamless compatibility and reliable performance for a variety of gunsmithing tasks. Applications: These Brownell's, Inc. Hammer Heads & Handles are perfect for replacing worn-out parts or customizing tools to better suit your needs. They excel in tasks like pin driving, part alignment, and surface adjustments, ensuring professional results without damaging sensitive components. Customer Feedback: Users appreciate the high-quality craftsmanship and durability of the heads and handles. The ability to customize tools for specific tasks is frequently noted as a standout feature, along with the ergonomic design of the hickory handles. Summary: The Brownells, Inc. Hammer Heads & Handles offer a premium solution for maintaining and upgrading essential gunsmithing tools. Combining superior materials with expert craftsmanship, these components deliver precision, reliability, and versatility, making them an excellent choice for professionals and hobbyists alike. Handle Specifications: Solid hickory w/pinned and threaded cast head. Diameters and lengths as follows: ?" (19.0mm) dia., 10 1/2" (26.67cm); 7??" (22.2mm) dia., 10 1/2" (26.67cm); 1" (2.5cm) dia., 10??" (26.67cm); 1??" (28.6cm) dia., 11??" (29.2cm); 1??" (3.8cm) dia., 11??" (29.8cm); 2" (5.1cm) dia., 13-5??" (34.6cm). Individual Hammer Heads Specifications: Materials as follows: Orange Plastic - Extremely tough, harder than Nylon tip for general work. Nylon - Tough, softer than plastic tip resistant to cracking, chipping or splitting. *Pyralin® - Similar to nylon, used in the 2" diameter only. Phenolic - Resin impregnated, cloth- reinforced tip. Very dense, highly resistant to abrasion, splitting, breaking. Brass - The gunsmith's favorite for use on punches. Steel - Most durable for general use.

Safety Instruction Guide for GUNSMITH HAMMER HEADS & HANDLES

Introduction

Thank you for choosing the GUNSMITH HAMMER HEADS & HANDLES from Brownells, Inc. This product is designed to provide highquality performance for gunsmithing tasks. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the hammer heads and handles before use to ensure they are in good condition.
- Do not use damaged or wornout components, as this may lead to accidents or injuries.
- Keep the tools out of reach of children and vulnerable individuals.
- Use the tools only for their intended purpose to avoid misuse and potential hazards.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the tools.
- Ensure your workspace is clean and free from hazards to minimize the risk of accidents.
- Be aware of your surroundings and ensure that no one is in the immediate area when using the tools.

Specific Safety Precautions for Use

- When using the hammer heads, ensure that the correct head is selected for the task to prevent damage to the firearm or injury.
- Avoid striking hard surfaces with the hammer heads to reduce the risk of chipping or breaking.
- Do not use excessive force when using the hammer; apply steady and controlled pressure.
- Ensure that the handle is securely attached to the hammer head before use.
- If using the brass hammer head, be cautious of the potential for deformation when striking hard surfaces.
- Always store the hammer heads and handles in a dry and secure location to prevent damage and maintain their integrity.

Instructions for Installation and Usage

1. Selecting the Hammer Head:

- Choose the appropriate hammer head based on the material and task requirements.
- Ensure compatibility with the handle before installation.

2. Attaching the Hammer Head:

- Align the hammer head with the handle.
- Securely attach the head using the pinned and threaded mechanism.
- Ensure that the attachment is tight and stable before use.

3. Using the Hammer:

- Hold the hammer firmly by the handle, ensuring a secure grip.
- Position the hammer head over the area to be struck.
- Strike with controlled force, ensuring that the hammer head makes contact with the intended surface.

4. PostUse Care:

- Clean the hammer heads and handles after use to remove debris and prevent corrosion.
- Store the tools in a designated area, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or wornout hammer heads and handles in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or additional assistance, please reach out to your local retailer or the manufacturer. Always ensure you have the most up-to-date information regarding product safety and usage.

By following these safety instructions, you can ensure a safe and effective experience with your GUNSMITH HAMMER HEADS & HANDLES. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important guidelines.
