Safety Instruction Guide for GUNSMITH HAMMER HEADS & HANDLES

Introduction

Thank you for choosing the GUNSMITH HAMMER HEADS & HANDLES from Brownells, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your hammer heads and handles. Please read this guide carefully before use.

General Safety Guidelines

- Always use the hammer heads and handles as intended.
- Inspect the tool before each use for any signs of damage or wear.
- Ensure that all components are securely attached before use.
- Keep the work area clean and free from hazards to prevent accidents.
- Store the hammer heads and handles in a dry place to prevent rust and damage.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves.
- Keep the tool out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- **Avoid Striking Hard Surfaces:** Do not use the hammer heads on surfaces that can cause chipping or damage to the hammer head.
- **Use Appropriate Hammer Head for Task:** Select the right hammer head material for your specific task to avoid damage to both the hammer and the workpiece.
- **Do Not Modify Tool:** Never alter or modify the hammer heads or handles. Modifications can compromise safety and performance.
- **Use in WellLit Areas:** Ensure your workspace is welllit to enhance visibility and reduce the risk of accidents.
- **Proper Grip:** Always maintain a firm grip on the handle to ensure control during use.
- **Avoid Overreaching:** Stand in a stable position and do not overreach while using the hammer to maintain balance and control.

Instructions for Installation and Usage

Installation

1. **Select Hammer Head:** Choose the appropriate hammer head based on the task requirements (e.g., brass, nylon).
2. **Attach Hammer Head:** Align the hammer head with the handle. Ensure that it is properly seated and secure.
3. **Check Security:** Firmly grasp the handle and gently shake the tool to ensure the hammer head is securely attached.

Usage

1. **Position Workpiece:** Secure the workpiece in a stable position before striking.
2. **Strike with Control:** Use controlled strikes to avoid excessive force that may damage the workpiece or the hammer head.
3. **Maintain Focus:** Stay focused on your task and avoid distractions while using the tool.
4. **Inspect After Use:** After completing your work, inspect the hammer head and handle for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or wornout hammer heads and handles in accordance with local regulations.
- Recycling is encouraged where applicable. Check with local recycling programs for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or product concerns, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Enjoy using your GUNSMITH HAMMER HEADS & HANDLES safely and effectively!
