

# NYLON/BRASS HAMMER - BROWNELLS HAMMER, BRASS/NYLON, 1"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

## Tough Nylon & Soft Brass In The Right Size

NYLON/BRASS HAMMER The Brownells Nylon/Brass Hammer is a precision-engineered tool designed for gunsmiths and firearm enthusiasts, offering versatility and control for various firearm maintenance tasks. Key Features: Dual Heads: Nylon Head: Provides a softer impact, ideal for working on delicate firearm components without causing damage. Brass Head: Offers a more substantial strike, suitable for driving pins and punches effectively. Ergonomic Handle: Crafted from solid hickory, the handle ensures a comfortable grip and excellent control during use. Optimal Dimensions: With a 3/4" or 1" diameter head and a weight of approximately 4 or 6 ounces, this hammer is well-suited for precise gunsmithing tasks. Customer reviews commend the hammer's balance and the convenience of having both nylon and brass heads, allowing users to perform precise work without damaging sensitive components. The Brownells Nylon/Brass Hammer is an essential addition to any gunsmith's toolkit, offering versatility and quality for various firearm maintenance and assembly tasks.

# Brownells Nylon/Brass Hammer Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells Nylon/Brass Hammer. This precisionengineered tool is designed for gunsmiths and firearm enthusiasts, providing versatility and control for various firearm maintenance tasks. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this document.

## General Safety Guidelines

- Always use the hammer for its intended purpose.
- Inspect the hammer before each use to ensure it is in good condition.
- Keep the hammer out of reach of children and vulnerable individuals.
- Avoid using the hammer in wet or damp conditions to prevent slipping.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the hammer.
- Do not modify the hammer in any way.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Dual Heads:**
  - Use the nylon head for delicate components to prevent damage.
  - Use the brass head for driving pins and punches; ensure you are striking the correct surface.
- **Ergonomic Handle:**
  - Hold the hammer firmly with both hands for better control.
  - Ensure your grip is dry and free from any substances that may cause slipping.
- **Weight Considerations:**
  - Be aware of the weight of the hammer (approximately 4 or 6 ounces) and use it accordingly to avoid fatigue during prolonged use.
- **Work Environment:**
  - Ensure your work area is clean and free of obstacles to avoid accidents.
  - Use the hammer on a stable surface to maintain balance and control.

## Instructions for Installation and Usage

### 1. Preparation:

- Before using the hammer, gather all necessary tools and materials for your firearm maintenance task.
- Ensure the firearm is unloaded and in a safe condition before starting any work.

### 2. Using the Hammer:

- Choose the appropriate head (nylon or brass) based on the task.
- Position the hammer at a comfortable angle and strike gently to avoid overimpacting delicate components.
- If using the brass head, ensure you are striking a suitable surface to prevent damage to the hammer or the workpiece.

### **3. PostUse Care:**

- Clean the hammer after use to remove any debris or residue.
- Store the hammer in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the hammer responsibly at a designated waste facility if it becomes damaged beyond repair.
- Follow local regulations regarding the disposal of tools and materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Brownells Nylon/Brass Hammer, please reach out to your local EU contact point for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your Brownells Nylon/Brass Hammer. Thank you for your attention to safety and quality in your firearms maintenance tasks.
