# Safety Instruction Guide for 3/4" Plastic/Brass Hammer

## Introduction

Thank you for choosing the 3/4" Plastic/Brass Hammer by Brownells. This guide provides important safety instructions to ensure safe and effective use of this product. Please read this guide carefully before using the hammer.

## General Safety Guidelines

- Ensure the hammer is used in accordance with the manufacturer's instructions.
- Always inspect the hammer before use. Do not use if damaged.
- Keep the hammer out of reach of children and vulnerable individuals.
- Use the hammer only for its intended purpose, which is light, precise tapping of punches.
- Be aware of your surroundings and ensure that no one is in the vicinity of the work area when using the hammer.

## Specific Safety Precautions for Use

- When using the brass end, ensure that it does not come into contact with your skin or eyes.
- Use the plastic head when working with delicate surfaces to avoid damage.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves if necessary.
- Avoid using excessive force when tapping; this can lead to injury or damage to the workpiece.
- Do not use the hammer near flammable materials or in hazardous environments.

## Instructions for Installation and Usage

- **Installation:**
  - There is no assembly required for the hammer. It is ready to use right out of the packaging.
- **Usage:**
  - Hold the hammer by the hickory handle, ensuring a firm grip.
  - Choose the appropriate end (brass or plastic) based on the task at hand.
  - Position the punch or workpiece securely before tapping.
  - Gently tap the punch or workpiece with the hammer, applying minimal force.
  - After use, store the hammer in a dry place to prevent damage.

## Disposal Instructions

- Dispose of the hammer in accordance with local regulations.
- If the hammer is no longer usable, consider recycling the materials where applicable.
- Do not dispose of the hammer in general waste if it is still functional; consider donating or repurposing it.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the 3/4" Plastic/Brass Hammer, please consult the manufacturer's website or customer service for assistance.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the 3/4" Plastic/Brass Hammer. Always prioritize safety and consult this guide whenever needed. Thank you for your attention to these important guidelines.
