# Safety Instruction Guide for Brownells, Inc. Hammer Heads & Handles

## Introduction

Thank you for choosing the Brownells, Inc. Hammer Heads & Handles. This guide provides essential safety instructions to ensure the safe use of this product. It is important to read and understand all instructions before using the hammer heads and handles to prevent accidents and injuries.

## General Safety Guidelines

- Always inspect the hammer heads and handles before use. Do not use if any part is damaged or worn.
- Keep all tools out of reach of children. These products are not toys and should only be used by trained individuals.
- Use the appropriate hammer head for the task at hand. Using the wrong type can lead to injury or damage to the workpiece.
- Ensure that the work area is clean and welllit to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the hammer heads and handles.
- Never strike the hammer head against hard surfaces that may cause shattering or splintering.
- Store the hammer heads and handles in a dry place to prevent corrosion or damage.

## Specific Safety Precautions for Use

- **Hammer Head Selection:**
  - Use brass heads for softer materials to prevent damage.
  - Use steel heads for general use and tougher tasks.
  - Avoid using nylon or plastic heads on hard surfaces to prevent wear and tear.
- **Handle Usage:**
  - Ensure the handle is securely attached to the hammer head before use.
  - Do not use the hammer if the handle is cracked or splintered.
  - Grip the handle firmly, ensuring your hands are dry to prevent slipping.
- **Workpiece Stability:**
  - Ensure the workpiece is stable and secured before striking.
  - Do not hold the workpiece with your hands while hammering.
- **Personal Safety:**
  - Keep hands and fingers away from the striking area.
  - Do not attempt to catch a falling hammer head or handle.

## Instructions for Installation and Usage

### 1. Assembly of Hammer Heads and Handles:

- Choose the appropriate hammer head based on the task.
- Align the hammer head with the handle.
- Securely pin and thread the hammer head onto the handle as per the specifications provided.

## **2. Using the Hammer:**

- Hold the hammer by the handle with a firm grip.
- Position the hammer head at a 90degree angle to the workpiece.
- Strike the workpiece with controlled force, avoiding excessive force that may lead to loss of control.

## **3. PostUse Care:**

- After use, clean the hammer heads and handles to remove any debris or residue.
- Store the tools in a designated area to prevent accidents.

## **Disposal Instructions**

- Dispose of any damaged hammer heads and handles in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of in regular household waste if it can cause injury or harm.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to the designated contact point for this product. It is important to have access to support for any questions regarding safety or usage.

By following these safety instructions, you can ensure a safer working environment while using the Brownells, Inc. Hammer Heads & Handles. Always prioritize safety and proper usage to enhance your experience with these tools.
