# ARMORER'S BRUSH BROWNELLS Safety Instructions

## Introduction

Thank you for choosing the ARMORER'S BRUSH BROWNELLS. This product is designed to assist in the cleaning of firearms by gently removing metal filings, dirt, dust, and bits of abrasive stone from actions and recesses. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always use the brush for its intended purpose to avoid accidents.
- Keep the brush out of reach of children and vulnerable individuals.
- Inspect the brush before each use for any signs of damage or wear.
- If the brush becomes damaged, discontinue use immediately.
- Follow all local regulations regarding the cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

- Use the brush in a wellventilated area to avoid inhaling dust or debris.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the brush.
- Do not use the brush on hot surfaces or while the firearm is still warm.
- Always ensure that the firearm is unloaded before cleaning.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from flying debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies and tools.

### 2. Using the Brush:

- Hold the varnished wood handle firmly to maintain control.
- Gently insert the natural bristles into the action or recess where cleaning is required.
- Use light strokes to remove metal filings, dirt, and debris.
- Avoid using the brush on sensitive areas that may be easily scratched or damaged.

### 3. PostUse Care:

- After use, clean the brush by removing any debris from the bristles.
- Store the brush in a dry place to prevent damage to the wood handle or bristles.

## Disposal Instructions

- Dispose of the brush in accordance with local regulations regarding waste disposal.
- If the brush is damaged beyond use, consider recycling the wood handle if possible.
