

# SHAPED CERAMIC STONES - SPYDERCO SQUARE CERAMIC STONE

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Stones](#)

## Sharp Edges, Easy Cleaning

Ceramics cut beautifully and uniformly using water (not messy oil) as the lubricant; they re resistant to shatter and breakage and literally last a lifetime. Cleanup consists only of washing with detergent and warm water to restore the original clean, white cutting surface. The cut is rated smooth and you can cut Hard Arkansas with these Ceramic files. After a bit of use and a few washings, the cut will become even finer.

# Safety Instruction Guide for SHAPED CERAMIC STONES SPYDERCO SQUARE CERAMIC STONE

## Introduction

Thank you for choosing the SHAPED CERAMIC STONES SPYDERCO SQUARE CERAMIC STONE. This product is designed to provide you with a smooth cutting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always use the ceramic stones as intended to prevent accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the ceramic stones before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the ceramic stones with care to avoid injury from sharp edges.
- Use water as a lubricant during cutting to prevent mess and ensure optimal performance.
- Do not apply excessive pressure while cutting; let the ceramic stones do the work.
- Avoid using the ceramic stones on materials that may cause damage to the stone.
- Clean the ceramic stones after each use to maintain their performance and longevity.
- If you notice any chips or cracks in the ceramic stones, discontinue use immediately.

## Instructions for Installation and Usage

### • Preparation:

- Before use, ensure that the workspace is clean and free of clutter.
- Gather any additional tools you may need for your project.

### • Using the Ceramic Stones:

- Select the appropriate ceramic stone for your cutting task (Square, Triangle, or Round).
- Apply a small amount of water to the cutting surface of the ceramic stone.
- Position the material you wish to cut securely on a stable surface.
- Hold the ceramic stone firmly and apply gentle pressure while moving it across the material.
- After use, rinse the ceramic stones with warm water and mild detergent to clean.

### • PostUse Care:

- Allow the ceramic stones to dry completely before storing them.
- Store the ceramic stones in a dry and safe location, away from children and pets.

## Disposal Instructions

- Dispose of the ceramic stones in accordance with local regulations.
- If the ceramic stones are damaged beyond use, wrap them securely to prevent injury during disposal.
- Do not dispose of ceramic stones in regular household waste if your local regulations require special handling.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Enjoy your SHAPED CERAMIC STONES SPYDERCO SQUARE CERAMIC STONE responsibly and safely!
