# STARRETT 5/32" CENTER PUNCH Safety Instruction Guide

## Introduction

Thank you for choosing the STARRETT 5/32" Center Punch. This product is designed for precision marking and is suitable for various applications. To ensure your safety and the effective use of this tool, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the instructions before using the product.
- Keep the product out of reach of children to prevent accidents.
- Inspect the tool for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves.
- Ensure the work area is clean and free from clutter to prevent tripping hazards.
- Do not use the product for any purpose other than its intended use.
- Be aware of your surroundings and avoid distractions while using the tool.

## Specific Safety Precautions for Use

- Ensure the surface where the punch will be used is stable and secure.
- Always hold the punch firmly and keep your hands away from the striking area.
- Use a hammer or mallet that is suitable for the punch material to avoid damage.
- Do not strike the punch with excessive force, as this may cause the tool to break or lead to injury.
- If the punch becomes stuck in the material, do not force it out. Instead, seek assistance to safely remove it.
- Store the punch in a dry and secure location to prevent rust and damage.

## Instructions for Installation and Usage
