# Safety Instructions for Starrett #565D 5/32" Pin Punch

## Introduction

Thank you for choosing the Starrett #565D 5/32" Pin Punch. This tool is designed for precision work in various applications. To ensure your safety and the longevity of the product, please follow the guidelines outlined in this document.

## General Safety Guidelines

- Always use the pin punch in accordance with the manufacturer's instructions.
- Inspect the pin punch before each use for any signs of damage or wear.
- Store the pin punch in a dry place to prevent rust and corrosion.
- Keep the pin punch out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Be aware of your surroundings and ensure that no one is in close proximity while using the pin punch.

## Specific Safety Precautions for Use

- Ensure the workpiece is securely clamped or held in place before using the pin punch.
- Avoid striking the pin punch with excessive force to prevent breakage or injury.
- Do not use the pin punch for purposes other than those intended; it is designed specifically for pin removal and installation.
- If the pin punch becomes stuck in the workpiece, do not force it out. Instead, seek assistance to safely remove it.
- Always strike the pin punch with a hammer that is appropriate for the size and type of punch being used.

## Instructions for Installation and Usage

### 1. Preparation:

- Select the appropriate size pin punch for your application from the set.
- Ensure the work area is clean and free of obstructions.

### 2. Using the Pin Punch:

- Position the pin punch at the desired location on the workpiece.
- Hold the pin punch firmly by the knurled grip area.
- With a hammer, strike the end of the pin punch gently to start the pin removal or installation process.
- Continue striking until the pin is fully removed or seated, ensuring that you maintain control of the punch at all times.

### 3. After Use:

- Clean the pin punch after each use to remove any debris or contaminants.
- Store the pin punch in the provided plastic bench box to protect it from damage.

## Disposal Instructions

- Dispose of any damaged or worn pin punches in accordance with local regulations.
- If the pin punch is no longer usable, consider recycling the steel material where possible.

## Contact Information for Further Support

For safety inquiries or additional support regarding the Starrett #565D 5/32" Pin Punch, please refer to the manufacturer's website or contact your local distributor.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Starrett #565D 5/32" Pin Punch. Always prioritize safety and responsible use of your tools.
